

Mrs. McNamara

mcnamara@saintroseonline.org

Mrs. Catie McNamara earned her degree from Franciscan University of Steubenville, Ohio. She previously taught two years at Regina Angelorum Academy in Ardmore, Pennsylvania before joining the Saint Rose faculty in 2022.

Mrs. Johnson

johnson@saintroseonline.org

Mrs. Johnson earned her degree from the University of Michigan. She has taught elementary students at Rosary Cathedral and also served as a teacher's aide at Saint Rose School. Mrs. Johnson has been teaching second grade at Saint Rose since 2018.

Curriculum Highlights

Language Arts: Second grade is a pivotal year for phonetic awareness and spelling. The Wonders series integrates a weekly concept, which emphasizes close reading text connections, and writing to accommodate different learning modalities.

Math: Our math curriculum is designed to engage students in hands-on learning and mathematical discovery; which assists students with computational fluency, geometry, measurement, and data analysis.

Science: Discovery Science introduces topics such as interactions within habitats, living and non-living things, weather changes, and the relationships between force and motion.

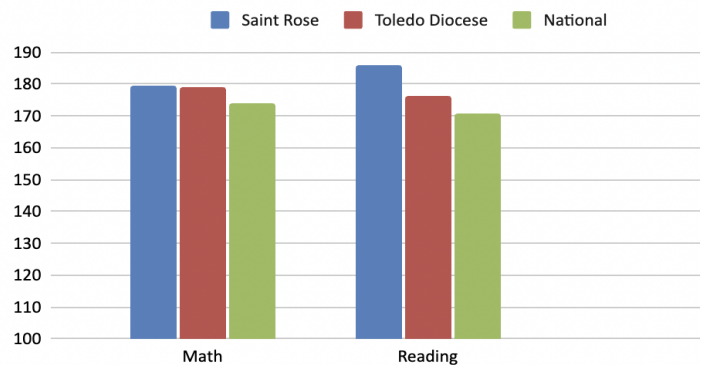

Social Studies: Citizenship, timelines, map skills, and economics are taught through real-life lessons and connections.

Religion: The students prepare for the Sacraments of Reconciliation and Holy Eucharist in a comfortable, faith-filled environment.

Students in Grades K-8 take the Measurement of Academic Performance (MAP) evaluations. Saint Rose School students score consistently higher than their peers in the Diocese of Toledo and across the United States.

Fall 2022 NWEA MAP Scores

Second Grade-Math and Reading

Each Friday, the second grade hosts a mystery reader. The students are given a clue each day, slowly revealing who the mystery reader will be. The students have an opportunity to use their math and logical reasoning skills to guess whom the reader will be. Past mystery readers include parents, faculty, students and community members.
