Curriculum Highlights continued...

Math: 6th Grade Mathematics includes a review and extension on Number Sense topics with an emphasis on ratio. The course introduces Algebra concepts and Statistics and builds upon earlier foundations in Geometry.

Science: This course introduces our middle school science curriculum with hands-on lab experiences, which help students to navigate through Earth, Physical, and Life Science.

Social Studies: 6th Grade focuses on the ancient world, surveying prehistory and the major river civilizations. In addition to the history portion of the course, the curriculum focus on the unique geographic, economic, and political aspects of these cultures, especially investigating how they impact people today.

Religion: The focus in this class is the Old Testament and the revelation of God's plan through the Israelites. This in-depth curriculum studies the responsibilities of Catholics, including building an informed conscience, the call for solidarity, and service to the community.

Sixth Grade students scored higher on the *Measurement of Academic Performance Tests* than the national and diocesan averages in all three subject areas this fall.
