Curriculum Highlights

Religion: The focus in this class is the Old Testament and the revelation of God's plan through the Israelites. This in-depth curriculum studies the responsibilities of Catholics, including building an informed conscience, the call for solidarity, and service to the community.

Language Arts: Students are exposed to literature in varied genres. Students develop critical reading and analysis skills. There is a focus on written expression, as well as mechanics, grammar and sentence structure.

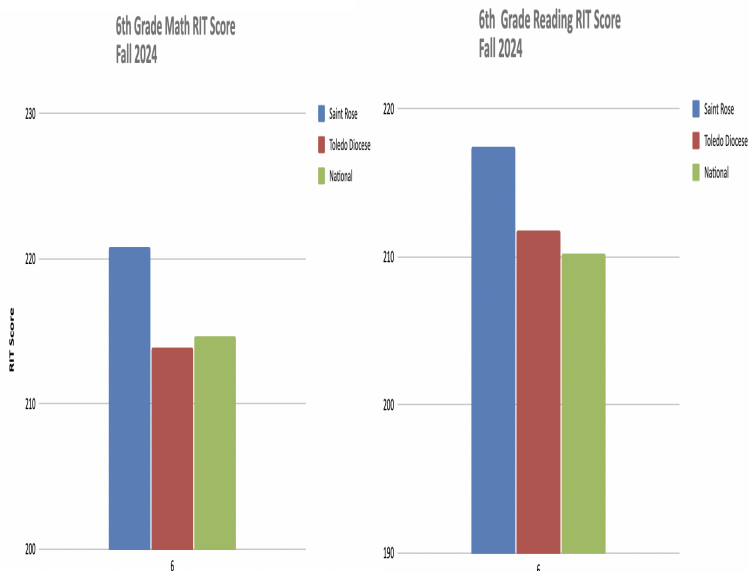

Math: Sixth grade mathematics includes a review and extension on Number Sense topics with an emphasis on ratio. The course introduces Algebra concepts and Statistics and builds upon earlier foundations in Geometry.

Science: This course introduces our middle school science curriculum with hands-on lab experiences, which help students to navigate through Earth, Physical, and Life Science.

Social Studies: Sixth grade focuses on the ancient world, surveying prehistory and the major river civilizations. In addition to the history portion of the course, the curriculum focus on the unique geographic, economic, and political aspects of these cultures, especially investigating how they impact people today.

Students in Grades K-8 take the Measurement of Academic Performance (MAP) evaluations. Saint Rose School students score consistently higher than their peers in the Diocese of Toledo and across the United States.

Fall 2024 NWEA MAP Scores

Sixth grade participates in an all-day retreat in the fall and sixth grade camp in the spring.
