

# Kindergarten FAQs

## Uniforms

Saint Rose has several uniform vendors, both local and online. Please visit our website at <http://saintroseonline.org/school/resources/dress-code> for the full details.

- *A gym uniform is NOT required for kindergarten students.*

## Vaccinations

The State of Ohio requires certain vaccinations for all kindergarteners prior to the start of school. Please be sure to schedule an appointment with your healthcare provider now. Proof of vaccinations can be faxed directly to Saint Rose at 419-874-1004, attention: Mrs. Michelle Hill, RN.

## Busing

Perrysburg, Rossford, and Eastwood school districts provide busing to Saint Rose. Saint Rose will verify your student's enrollment with the appropriate transportation department; however, pick-up and drop-off locations and times are determined and communicated by the district.

Perrysburg: 419-974-3127

Rossford: 419-666-8695

Eastwood: 419-833-1493

## Lunch

Students can pack or buy lunch. The monthly menu is available on our school website at <http://saintroseonline.org/school/resources/calendar>.

Each morning, students tell their teacher if they are packing or buying.

Although students can pay cash, we recommend that you establish a PaySchools account. With a PaySchools account, you can add money online to your student's lunch account, and your student can pay, using his/her student ID number. Information regarding how to establish a PaySchools account will be sent to you over the summer.

## **Communications**

Saint Rose sends a weekly email to parents every Thursday. Although teachers may use another method to send classroom-specific information to parents, the weekly email contains important school-wide announcements and information.

Gradelink is Saint Rose's student database. Gradelink is also used to send emails to parents and students.

## **Extended Day**

Extended Day is Saint Rose's before and after school childcare program.

Registration for this program is available online at

<http://saintroseonline.org/school/resources/extended-day>.

## **Pirate Parents' Club**

Pirate Parents' Club (PPC) is a parent organization that plans many fun activities for the Saint Rose School Community throughout the year, such as Trunk-or-Treat, the Family Dance, Muffins for Moms, Donuts for Dads, and more. PPC is always looking for parents who are willing to join the fun!

## **KR/K Preview Day**

Preview Day is a mini-orientation for our incoming Kindergarten Readiness and Kindergarten classes. It is a fun day in which new students spend time in our kindergarten readiness and kindergarten classrooms with our current students, making a craft and becoming acquainted with our teachers and classrooms. Preview Day is a student-only event.
