Curriculum Highlights

In 4-Year-Old Preschool, the “PreK On My Way” Curriculum supports every aspect of student development: physical, social, emotional, cognitive and linguistic. Children learn skills through playful, child-centered activities that ensure a love of learning.

Religion: Our religion curriculum, Stories of God’s Love, uses age-appropriate Scripture stories to introduce children to important Biblical figures who teach them of God’s love in their own lives.

Language Arts: Students focus on pre-reading skills and become aware of sounds within words. They identify syllables, beginning word sounds, and rhymes. Children also learn to recognize and name upper and
