

# Grade 2 Profile

Grade 2

2016-2017

Mrs. Croci

Mrs. Croci has a Master's in Education from The University of Denver and has been teaching since 2001. She joined the Saint Rose team in 2012.

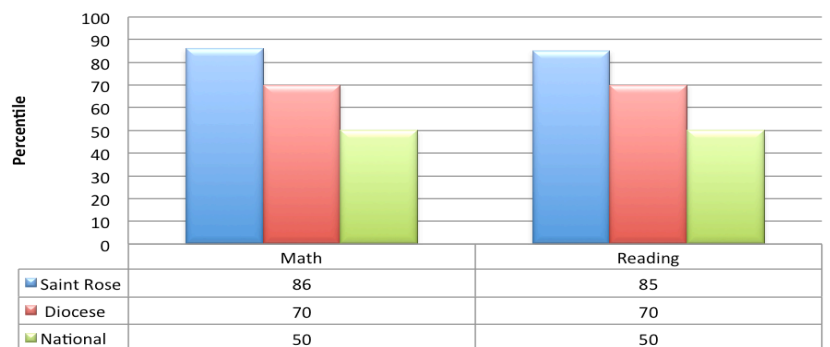

Mrs. Dansack

Mrs. Dansack graduated with a Bachelor of Science in Education and began teaching within the Diocese of Toledo in 2002. She holds a Reading Endorsement Certificate and has recently graduated with a Master's degree in Reading at Lourdes University.

Saint Rose students begin taking the "Measurement of Academic Performance" (MAP) in the second grade. They take the Math and Reading test. The second grade students scored higher than both National and Diocesan averages in each category in the fall of 2016.

Grade 2 MAP Scores  
Fall 2016

## Curriculum Highlights

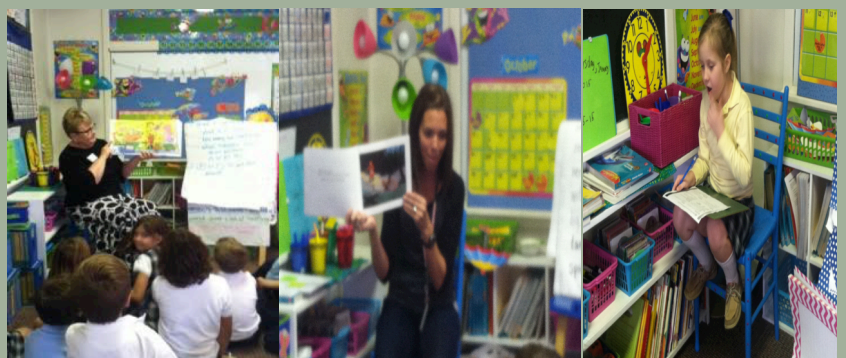

**Language Arts:** Second grade is a pivotal year for phonetic awareness and spelling. The Wonders series integrates a weekly concept, which emphasizes close reading text connections, and writing to accommodate different learning modalities.

**Math:** Our math curriculum is designed to engage students in hands-on learning and mathematical discovery; which assists students with computational fluency, geometry, measurement, and data analysis.

**Science:** Discovery Science introduces topics such as interactions within habitats, living and non-living things, weather changes, and the relationships between force and motion.

**Social Studies:** Citizenship, timelines, map skills, and economics are taught through real-life lessons and connections.

**Religion:** The students prepare for the sacraments of Reconciliation and Holy Eucharist in a comfortable, faith-filled environment.

Each Friday, the second grade hosts a mystery reader. The students are given a clue each day, slowly revealing who the mystery reader will be. The students have an opportunity to use their math and logical reasoning skills to guess whom the reader will be. Past mystery readers include parents, faculty, students and community members.
