SAINT ROSE SCHOOL

CORE VALUES

Saint Rose School is a Catholic elementary school, which is driven by our values. These values permeate the organization in a fashion that defines our culture and who we are as people. At Saint Rose School, this is what we value most in our engagement with those we serve:

- Catholic Faith
- Compassionate Community
- Moral Virtue
- Academic Excellence
- Servant Leadership

Each of these words has deep meaning to us, and we believe they are more powerful together than they are individually. Below is an example of how these values come to life at Saint Rose School:

Catholic Faith: The word “catholic” means “universal” or “according to the whole.” The Church is catholic because Jesus Christ, who is present in His Church, is the savior of all. As a ministry of Saint Rose Parish, Saint Rose School seeks to live, share, and celebrate the Catholic faith. As a Catholic school, Saint Rose is concerned with, and seeks to nourish, the whole human person: mind, body, spirit and soul. The Catholic faith also acknowledges that each person is made in the image and likeness of God; therefore, the conscience of each person is to be respected. Students who are not Catholic are also welcome and respected at Saint Rose, as the Catholic faith demands.

Compassionate Community: The Christian faith is not private, but communal in nature. Imitating Jesus, we seek to love God and to love our neighbor. Saint Rose School desires to provide encouragement, challenging us to become a Compassionate Community - a community in which we are able to love, support, and pray for each other. This includes helping to create a safe place of caring, sharing, support, and fellowship. This Compassionate Community is an essential building block in helping each of us to be the person God intends each to be, as we learn about life and share our faith and love with each other.

Academic Excellence: In all aspects of academics at Saint Rose School, we strive for excellence in an effort to enhance and enrich the lives of our children, as well as the many others who come into contact with our school. We aspire to make excellence a habit that shapes and guides all our decisions, studies, and programming.

Servant Leadership: Jesus came to serve, not to be served. By the mastery of his cross, he shows us that it is in giving that we receive, and in dying to self that we find life. True glory, in the eyes of God, is found in making a gift of ourselves and serving others. Jesus is the true Servant Leader, and we seek to imitate him. At Saint Rose School, we seek to teach and model servant leadership-thinking of others first, listening and respecting them, overcoming our selfishness, and giving of ourselves to help others grow and live as the children of God.

These core values identify us as a school community. We strive to not only live these Charisms, but to share them with those whom we come into contact.

DIOCESE OF TOLEDO CATHOLIC SCHOOLS DISTRICT PHILOSOPHY

“The duty of human perfection, like the whole universe, has been renewed, recast, supernaturalized, in the Kingdom of God. It is truly a Christian duty to grow...and to make one’s talents bear fruit... It is a part of the essentially Catholic vision to look upon the world as maturing - not only in each individual or in each nation, but in the whole human race.”

(Teilhard de Chardin, *The Divine Milieu*)

The schools of the Catholic Diocese of Toledo assist parents in preparing their youngsters to assume their Christian vocation. The schools enable youngsters to perfect and grow in the knowledge, skills, values and attitudes to which they are called by Jesus Christ. This vocation begins and grows as each member hears the message of the Gospel, seeks to achieve a personal relationship with Jesus Christ and shares in a commitment of love and service of God and others in order to transform self and society.

Christian education in the Toledo diocesan schools is intended to make students become people of faith who can experience--inside and outside the school setting--learning and living in the light of this faith commitment. Students are instructed in human knowledge and skills in order to best relate human culture to God’s plan for his evolving creation. Religious education, i.e., instruction in truths and development of values, is of primary concern. This religious education serves as the basis by which students can integrate their experience of learning and living at each stage of their development.

This integration thrives in a thoroughly Christian atmosphere where faculties and staffs share and demonstrate in their professional and private lives this same commitment to personal perfection and growth in Jesus Christ.

Toledo diocesan schools enable students to extend their personal faith commitment through prayer and service to others. Together with faculty and staff, students participate in liturgical activities, which foster community. Students explore ways to meet the challenges of tensions and conflicts, which occur in community, especially in peacemaking and the achievement of justice. Gospel values impel students to special concern for all who suffer any disadvantage. Students are enabled to commit themselves to the public interest by developing the skills and talents needed to contribute to the life of the nations.

Saint Rose School admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

SAINT ROSE SCHOOL STAFF 2023-2024

Children, preschool-grade eight, are served by a dedicated staff of over 50 teachers, administrators, and support personnel. Saint Rose School is made up of people who care. They care about God, themselves, and others. It is that feeling that makes Saint Rose stand out as a community of Christian commitment.

SAINT SCHOLASTICA PROGRAM

The Saint Scholastica Program, named for Saint Scholastica of the 6th century, the twin sister of Saint Benedict of Nursia, and a patron saint of education, will provide instruction to students in grades three through six that qualify as gifted. Providing differentiated learning opportunities for all the learning styles of the Saint Rose students has always been a major component of the school's emphasis on its charism of Academic Excellence. Saint Rose Catholic School provides enriching lessons and accelerated classes such as advanced Math and Honors English Language Arts. Intervention specialists, speech pathologists and reading intervention specialists work with teachers to support students.

Admission to the Saint Scholastica Program will be based on teacher recommendations, scores on the annual NWEA MAP Growth Tests and student

performance on the CogAt Cognitive Abilities Test. The program will be provided to students in grades three through seven.

MIDDLE SCHOOL ADVANCED ACADEMICS

Students in grades seven through eight have the opportunity to enroll in advanced math classes and honors English language arts classes. Students will be selected for these courses based on their academic performance in previous classes, teacher recommendations and standardized tests scores. Students in eighth grade can enroll in Spanish I by their choice.

RESPONSE TO INTERVENTION

The RTI Team was established to address concerns administration, a teacher, or a parent may have regarding a student. A teacher following reasonable attempts to address the concern through classroom strategies may refer academic, behavioral or social problems to the team. The team consists of the principal, and the referring teacher. A learning disabilities tutor, other teachers who have contact with the student or former teachers may be members of the team.

RESPONSE TO INTERVENTION PROCESS

1. Grade-level meetings will be held regularly to identify students not meeting grade level expectations. Parents can initiate the process by requesting that the RTI team (teacher, ASP staff, Principal and RTI coordinator) meet to determine if the child has a skill deficit that needs to be further explored through the RTI process.
2. Parent(s) will be notified by the RTI Coordinator that the team is going to collect data, observe the student and create a short-term remediation plan to help the student.
3. Teachers and the RTI team will meet to share observations and create a plan to remediate the student's identified area of concern. Parents will be notified of the plan by the RTI coordinator.
4. Data will be collected, observation of the student identified will be made, and a short-term plan to remediate skills identified by the classroom teacher will be developed.
5. Teachers and the RTI team will meet to share results of data, observations, and the plan to review results and determine the next step(s) needed in the process.
6. Parent(s), Teachers and the RTI team will meet to share results of data, observations, and the plan for the student moving forward.
 - A.) Possible development of Student Minor Adjustment Plan, or recommendation for testing to identify disability.
 - B.) The student's area of concern is no longer a problem utilizing the plan in place and skills were remediated.

ACADEMIC POLICY FOR GRADES 2-8

ASSIGNMENTS

1. A student will be allowed to make up assignments due to an excused absence. When the student is absent due to illness or funeral attendance, he/she will generally be responsible for completing missed work in a period of time equal to the number of days absent. If the work is not completed within the prescribed time frame, it may be considered late. Any student who plans to be absent for any reason not recognized by Ohio Law must obtain a "Saint Rose School Personal Convenience (Unexcused) Absence Form" from the office or on the school website. The conditions for completing missed work under these circumstances are outlined on the absence form and must be followed in order to receive credit for assignments missed during the absence [See "Saint Rose Personal Convenience (Unexcused) Absence Form" in the back of the handbook].

2. An assignment notice will be issued to a student for missing/incomplete work. It will need to be signed by a parent and returned to the homeroom teacher the following day. Failure to do so will result in a discipline notification for the student. The student is also expected to turn in the assignment the next day. It will be graded and the student will receive 10 points lower on their grade. If it is not returned that day, the student will receive a zero for that assignment. The assignment must be submitted even if the grade will be zero.

It is believed that all assignments are important. Any late projects that carry the equivalent weight of a test will receive a reduction of 10% per day. The project must be submitted, even if the grade will be zero. It is understood that some exceptions can be made for academic special needs. This is up to the discretion of the classroom teacher.

3. If a student forgets an assignment and has to return to his/her locker, the grade may be lowered 5 points. No student will be allowed to return to his/her homeroom during class time to retrieve an assignment. An assignment notice will be given.

4. After three assignment notices have been issued, homeroom/subject teachers will confer with the parent(s) and child and a plan of action will be put into place. After three assignment notices have been issued a discipline notification will be issued also. A student will issue a discipline notification for every three assignment notices received.

PROMOTION, RETENTION, AND DISMISSAL

Students are promoted, placed, or retained based on their performance over the school year. Throughout the school year, student progress is reported to parents/guardians through midterm low grade reports, report cards, and

parent-teacher conferences. Acquiring the necessary skills to be successful in the next grade is vitally important to the student.

Promotional policies are the responsibility of local authorities in accordance with the Ohio Revised Code. The school will maintain a record of the codes that have been used for grading and the dates during which that particular code was used.

The Ohio Revised Code gives to the superintendent the right to assign pupils to levels because we are a network and not a system. This is to be done by the principal-minister. The basic test on promotion puts the responsibility clearly on the teacher-minister. Parents/guardians will be notified and consulted within a reasonable time prior to the decision to retain or dismiss a child; however, the right to retain or dismiss a student at a certain level is dependent on the school's judgment and, therefore, the parents'/guardians' permission is not required.

Saint Rose may require a student in grades 4-8 that fails a core class (math, ELA, reading, social studies, science) to attend summer remediation for that particular failed subject. The remediation program must be approved by the school administration. The cost of the remediation program will be the responsibility of the parents/guardians. The parents/guardians must submit the passing certificate from the remediation program to the school administration. It must be approved by the school administration in order for the student to be promoted to the next grade level and be placed on academic probation.

Saint Rose may not permit a student that fails two or more core classes (math, ELA, reading, social studies, science) and/or truant for more than ten percent of the required attendance days of the academic year to enroll in future classes at Saint Rose.

ACADEMIC PROBATION

Saint Rose may place a student on academic probation at the discretion of the teacher-minister and school administration. The school administration will communicate the probation to the student's family. Academic probation will last one semester and will be reviewed by the school administration to determine if the student will be removed from academic probation, continue on academic probation, or be dismissed from the school.

ACADEMIC PROGRAMS

Parents are the first and foremost educators of their children. Their role as educators is so decisive that scarcely anything can compensate for their failure in it (cf. Vatican II, Education). Parents do not relinquish their right and duty to educate, but only delegate a part of their responsibility to the school

administration. When teacher-ministers and parents work together, their united efforts become very effective in educating the child.

Dedicated, experienced and fully certified teachers are the foundation of the Saint Rose academic program. They offer a disciplined, yet creative learning environment that encourages students to reach their highest potential in academic performance, leadership and social skills.

CHRISTIAN FORMATION

The strengthening of Christian values is vital to the total development of the child. The staff is committed to Catholic beliefs and values, and serves as strong role models for students. Students are active participants in Masses and prayer services.

WEEKDAY LITURGIES

Parents are always welcome to worship with the students. All-School Liturgies (K-8) are held weekly and are listed on the monthly calendar.

RELIGIOUS EDUCATION

Students receive 30-45 minutes of religious instruction daily, which is based on Catholic doctrine and tradition. This instruction in Catholic beliefs and values permeates all aspects of the school program. All students are expected to attend liturgies, retreats, etc. including preparation and participation in student liturgies. Liturgical music practice and prayer times are also scheduled for grades K-8. Reconciliation is scheduled for the students twice a year. Parents are also encouraged to take their children as a family to the Sacrament of Reconciliation. All students in grades K-8 will attend Perpetual Adoration once a month.

SACRAMENTS

Parents and teachers work in partnership to prepare children to receive the sacraments of Reconciliation, Eucharist, and Confirmation. Parent classes are held before the Sacraments are received. Attendance by at least one parent is mandatory.

- Reconciliation - Grade 2
- First Communion - Grade 2
- Confirmation - Grade 8

CHRISTIAN SERVICE

Students and their families volunteer their time and energy for a variety of Christian service projects. Students will perform service throughout the school year both in class and in the community.

CURRICULUM

Saint Rose School is in compliance with the Ohio Catholic Schools' Accrediting Association Operating Standards. The school is also fully accredited by the Ohio Catholic School Accrediting Association. The school curriculum is based upon the Courses of Study issued by the Superintendent of Catholic Schools for the Diocese of Toledo, in cooperation with the Diocesan Educational Consultants and representative faculty members of diocesan elementary schools. The guidelines prescribe concepts to be taught in each grade. Religion, mathematics, science, health, social studies, music, art, English, reading, spelling, computer science, and physical education are subjects presented in our program. These Courses of Study are approved by the State of Ohio. Copies of the Courses of Study are available on our website.

Computer instruction begins in kindergarten and is a key part of the curriculum through eighth grade. In addition to the computer instructor, the teaching staff has a physical education instructor, an honors math teacher, an art specialist, a music instructor, a Spanish teacher, an honors ELA teacher, and a librarian. Support personnel include a school nurse, school counselor, intervention specialist, St. Scholastica instructor, RTI coordinator, speech and language therapist, and tutors for reading, math and learning disabilities.

A Kindergarten Readiness program is also available for children who need an additional year of growth and development before entering Saint Rose Kindergarten.

Our facility includes fully equipped classrooms, art and music rooms, a computer-learning center, a well-stocked library, cafeteria, gymnasium, and a supervised playground.

BLIZZARD BAG PROGRAM/REMOTE LEARNING DUE TO WEATHER

Blizzard bags/Remote Learning will go into effect after five missed days of school due to weather or other circumstances. Blizzard Bag Days will be announced or emailed to students when the weather forecasts a winter storm which results in a school closing. The blizzard bag will allow Saint Rose School to make up the missed hours up to three scheduled days.

- Students are responsible to check their emails daily for Blizzard Bag/Remote Learning instructions during calamity days.
- Students without Wi-Fi are responsible for calling a classmate for the assignment.
- The assignments will be posted online on Gradelink, Class Dojo or through a direct teacher email.
- Students may contact teachers through email with questions.
- All students must complete the work by the prescribed deadline, and the work must meet the standards and rigor of an in-class assignment.

- Assignments will be directly linked to the current classroom curriculum.
- Blizzard Bag/Remote Learning assignments will not be recorded as a test or a quiz.
- Teachers will check email each day and respond to emails daily (Pending no emergencies).
- Please be reminded that the school day does end at 3:30 pm and that emails after that time may not be replied to until the next day.
- Assignments will be graded.
- Assignments may be submitted online at the discretion of the teacher. Assignments will be due the first day that classes resume after cancellation, unless the teacher has requested online submissions.

Late assignments will not be accepted; please contact the Principal for extenuating circumstances.

GOVERNMENT FUNDED SERVICES

Saint Rose Catholic School provides a variety of supplemental services to meet the unique needs of each individual, through government funding.

ADMISSION POLICIES**NON-DISCRIMINATION STATEMENT**

Saint Rose School recruits and admits students of any race, sex, national origin, or disability (if learning differences can be reasonably accommodated). In addition, the school will not discriminate on the basis of race, sex or national origin in administration of its educational policies, scholarships, loans, fee waivers, educational programs, athletics, and extracurricular activities. The school is not intended to be an alternative to court or administrative agency ordered, or public school district initiated, desegregation.

Saint Rose School will not discriminate on the basis of race, sex, or national origin in the hiring of its certified or non-certified personnel.

DIOCESAN POLICY STATEMENT ON GENDER-RELATED MATTERS

The Catholic Church has always believed that her first mission given her by Christ Jesus is the salvation of souls. The Church must be true to her own identity and mission. Thus, the teachings of the Catholic Church must permeate all aspects of her activities. As a result, the Catholic community has a responsibility to be a witness to truth, charity, and justice based on the Gospel; and must always strive to be respectful of persons and understanding of the struggles present within and among the people of God. It would be inconsistent with the Church's mission to teach, promote, or encourage anything that is contrary to the teachings she has received from God and which the Magisterium has clearly and consistently articulated. For this reason, the Church cannot, and may not, sponsor, endorse, facilitate, or host such organizations, events or activities that would promote such views, in any form or format whatsoever.

With specific regard to the human person, the Catholic Church has always and everywhere affirmed her belief that each and every human being is created in the image and likeness of God. As such, every person deserves respect, dignity, and freedom from discrimination. By remaining true to what Christ has taught concerning the human person, the Church encourages individuals to accept their own bodies and gender as they were created, and seeks to help all people to recognize that the current attempts in modern culture to redefine gender and social institutions, as well as alter the nature and purpose of human beings, are misguided and not in accord with the truth. Therefore, it would be morally

unacceptable for the Catholic Church, including the Diocese of Toledo, its parishes, schools, or ecclesiastical organizations to provide accommodations based on anything which in itself is contradictory or antithetical to the teachings of Christ and his Church, including notions of gender and sexuality that are contrary to Catholic teachings.

In Catholic parishes, schools, and ecclesiastical organizations of the Diocese of Toledo, all activities and ministries are to be rooted in, and consistent with, the principles of Catholic doctrine. Therefore, in every parish, school and institution, all paid employees and unpaid volunteers will:

- Treat all persons with sensitivity, respect, and compassion.
- On a case-by-case basis, consider in a compassionate way any specific request sensitive to the physical and psychological needs of a person. The basis of the consideration will be on the following questions:
 - What is the specific request of the adult, student and/or parent(s) guardian?
 - Is the request in keeping with the teaching of the Catholic Church?
 - Is the parish, school or ecclesiastical organization reasonably able to provide for the request?
- Require that names and pronouns be in accordance with the person's biological sex.
- Maintain names in records according to the person's biological sex.
- Confirm that uniforms and gender specific dress, bathrooms, locker rooms, showers, and sponsored activities will all be according to biological sex.
- Require that participation on athletic teams and extra-curricular activities be according to biological sex.
- Consult the Office of Marriage and Family Life with extenuating circumstances.

CATECHESIS REGARDING HUMAN DIGNITY AND GENDER-RELATED MATTERS

The Catholic Church has always and everywhere affirmed her belief that each and every human being is created in the image and likeness of God. As such, every person deserves respect, dignity, and freedom from discrimination. Indeed, there is an inescapable duty to make ourselves the neighbor of all people, no matter who they are. Further, the Church is obligated to hand on to every generation all that she has received from Jesus Christ, her divine founder, especially as it relates to our understanding of the human person in these present times.

The witness of Sacred Scripture is clear: God created human beings male and female (Genesis 1:27). From the dawn of creation as depicted in the Book of Genesis to the closing pages of the Apocalypse, Scripture presents the human race as consisting of only two sexes. Both sexes, male and female, are created in the image of God and are equal in dignity and destiny (Genesis 2:21-24). God created Adam and Eve out of love and for love. One's gender is therefore determined by one's biological sex.

The entirety of divinely inspired Scripture affirms the male and female forms of human nature as reality. They are not mere cultural phenomena or subjective constructs. Although wounded by the entrance of sin into human experience and its far-reaching effects on our bodily nature, man and woman continue to image God in both their uniqueness and complementarity. Scripture is clear on the necessity of respecting God's order and commands for human beings to experience the fullness of life he intends.

As articulated by Pope Francis, the clear and constant moral teachings of the Catholic Church have always envisioned a connection between our highest human happiness and our willingness to embrace the biological sex given us at birth. Our bodies teach us profound truths about ourselves and our purpose in life. Our bodies signify that we are called to and gifted for relationships that are complementary in nature, open to new life, and destined for eternal happiness and joy. Our bodies are God-given means of deepening our human generosity and communion with both God and each other.

Pope Saint John Paul II affirmed in his teaching known as the Theology of the Body that in our given biological complementarity, as distinctly male and female, God clearly intended us to live in loving communion with him and with each other. Through mutual self-giving and interdependence, he invites us to share in his own act of creation, as well as his own eternal happiness and joy. Therefore, our God-given maleness and femaleness clearly make visible our calling to love and co-create with God in bringing new life into the world. This is what Pope Saint John Paul II called the "sacramentality of the body." Our bodies are "icons" that reveal the deepest essence of who we are in the moral, spiritual, emotional, and physical dimensions of life.

Catholic teachings envision biological sex as neither a politically defined nor socially constructed reality.

It is an objective reality, a cornerstone of our createdness, and an invitation to enter joyfully and generously into what we believe to be the central mystery of the Christian faith, namely, that God is himself an eternal exchange of love emanating from the love shared between the Father, Son and Holy Spirit.

The Catholic Church recognizes that there is much confusion regarding human sexuality and gender in today's society. Knowing that this confusion touches the lives of many people very personally, the Catholic Church is committed to walking with each individual on the path towards a more integral understanding of their human dignity and their unique vocation in the Creator's plan for salvation history.

PARTNERSHIP

The education of a student is a partnership between the parents and the school. Just as a parent has the right to withdraw a child if desired, the school administration reserves the right to require the withdrawal of a student if the administration determines that the partnership is irretrievably broken. In such instances, tuition paid for the remainder of the year will be refunded. At Saint Rose Catholic School, conduct of students/parents/faculty inside or outside of school that interferes with the peace and tranquility of the school, and impedes the school from realizing its ecclesiastical mission, will be disciplined/dealt with according to our disciplinary code.

TRANSFERRING STUDENTS

Students transferring from another school to Saint Rose School will need to complete an application packet as part of his/her admissions process prior to being accepted as a student. All students will be conditionally accepted for a three month period.

PROBATION STATEMENT

Students are admitted on a probationary status for a period of three months. Such a provision allows school officials time to determine whether the school can meet the student needs before making acceptance final.

REGISTRATION

Registration of presently enrolled students is conducted prior to Open House. Any remaining class openings are then open to new students. Once a class is filled, student names are placed on a waiting list.

WITHDRAW POLICY

Once the school year begins, tuition refunds are made on a quarterly basis. Should a Student attend school during any portion of a quarter (one day or more), the full tuition amount for that quarter is owed and no portion of that quarter's tuition will be refunded. Families wishing to withdraw from Saint Rose need to submit a letter to the office.

ATTENDANCE

At Saint Rose School, if a student is to be absent from school, for any reason, the parents or guardians are required to notify the school by a note or call the attendance office (419-874-5631) before 9:00 AM on the day of absence. If the duration of the absence is more than three (3) days, proof of illness may be required. Families are asked to please schedule trips and vacations during the breaks in the school year.

An excused absence is one due to illness or funeral attendance.

An unexcused absence is one due to a student's and/or parent's personal

convenience, which would include vacations or other such situations. Parents are required to complete a “Saint Rose School Personal Convenience (Unexcused) Absence Form” one week prior to the date of a planned absence. This form must be obtained from the school office or from the school website. [Click here for a link to Personal Convenience \(Unexcused\) Absence Form.](#) If the form is not completed prior to the absence, the student will be considered truant.

ALTERNATE DISMISSAL

The safety of your child is our primary concern, therefore, any student who is going home in a way other than their normal way (e.g. walker/rider rather than bus, going to the library, or parent picking up for an appointment) MUST PRESENT A NOTE FROM THE PARENT, GIVING PERMISSION FOR THIS.

If a note is not sent, the child will be sent home via their normal way. All students who are being picked up by a parent or other authorized person must be picked up on the school property.

APPOINTMENTS

Whenever possible, appointments with a doctor or dentist should be scheduled outside of regular school hours. However, if a student must have an appointment during school hours, the parents must give PRIOR WRITTEN NOTICE to the school. If a student is leaving during school hours, the parent must report to the school office and sign him/her out before the student will be released. Parents are not permitted to go to the classroom to get their child. The office will call for them upon the parent’s arrival. When a student returns to school following an appointment they must report to the front desk for an admit slip. A student will be marked tardy if they arrive after 9:00 AM for any reason, including appointments. Absence or tardiness of greater than 1-3/4 hours is considered a half day of absence. Absence of greater than 3-1/2 hours is considered a full day of absence. Tardies, daytime absences, or early dismissals are recorded and reported on the grade card.

ARRIVAL/DISMISSAL

Students are not to arrive at school prior to 8:40 unless they are in morning care. For security reasons, parents are asked not to come into the school vestibule or gym at dismissal time.

SCHOOL WORK POLICY DURING ABSENCES

A. UNEXCUSED ABSENCE

This is an absence due to student and/or parent personal convenience, which would include vacations or other such situations. Personal Convenience Absence is not provided for under the school attendance laws of the State of Ohio. Such an absence will be considered “Unexcused”. Families should please limit trips and vacations to the break periods during the school year.

1. Parents must complete a Personal Convenience Absence Form one (1) week prior to the date of the planned absence. A form can be requested from the school office or can be found on the school website ([click here for the form](#)).
2. Some, but not all, assignments may be given before a scheduled absence, if the absence form is turned in one week in advance.
3. The assignments given prior to vacation may not include all assignments. Therefore, it is the student’s responsibility to contact the teacher(s), including “specials” (music, art, P.E., etc.) upon returning to school (assignments given will vary depending on the grade level of the student and the teacher).
4. The student will be responsible for completing his/her missed work in a period of time equal to the number of days absent (e.g. 3 days absent = 3 days to make up work). These days include weekends, holidays, snow days, and the like. Assignments due to “specials” will need to be completed by the date agreed upon by the teacher and student. Failure to complete the work will result in a missing assignment notice.

The student will be permitted to make up tests upon his/her return to school. Arrangements to make up tests must be made by the student by the second day he/she returns to school or an “F” will be recorded for each test.

It is understood that the principal’s signature does not indicate approval of the statement of absence, but only awareness of such.

B. EXCUSED ABSENCE

This is an unplanned absence due to illness or funeral attendance.

1. The student will be given his/her assignments upon his/her returning to school, unless work is requested by 9:00 A.M. through the school nurse (419- 874-5631).
2. The message left with the student’s teacher or attendance line/email should include:
 - a. Student’s name
 - b. Reason for absence
 - c. Grade level and homeroom teacher
 - d. If you are requesting assignments, you are required to specify the teachers

from whom you would like work. Also specify whether that work will be picked up in the office or sent home with a sibling at the end of the day.

3. Work can be picked up after school at the front desk until the office closes at 4:30 P.M., or it may be sent home with a sibling. Please contact your child's teacher if you would like the work to be sent either to the front desk or with a sibling.
4. Upon returning to school after this absence, it is the responsibility of the student to contact the teacher(s), including "specials" (music, art, P.E., etc.), to check if there are any work to make up.
5. The student will generally be responsible for completing his/her work in a period of time equal to the number of days absent (e.g. 3 days absent = 3 days to make up the work). These days include weekends, holidays, snow days, and the like. Assignments due to "specials" will need to be completed by the date agreed upon by the teacher and student. Failure to complete the work will result in a missing assignment notice.
6. The student will be permitted to make up tests upon his/her return to school. Arrangements to make up tests must be made by the student by the second day he/she returns to school or an "F" will be recorded for each test.

TARDINESS AND EXCESSIVE ABSENTEEISM

School begins at 9:00 AM. Any student reporting at a later time, regardless of reason, must report to the front desk for an Admit Slip.

Excessive absenteeism or repeated tardiness will result in notification of the proper authorities of possible educational neglect on the part of parents/guardians. Excessive absenteeism is more than 10 % of the instructional days in an academic year per Section 3313.609 of the Ohio Revised Code. Excessive tardiness is more than five days per semester.

Absence or tardiness of greater than 1-3/4 hours, regardless of reason, is considered a half day of absence. Absence of greater than 3-1/2 hours is considered a full day of absence.

TRUANCY

A student is truant if he/she stays away from school without permission of the school. Any student who is considered truant forfeits the right to make up the work missed during the truancy. Parents will receive notification from the school of truancy. Habitual truancy will result in a notification of authorities of possible educational neglect on the part of parents/guardians per the Ohio Revised Code.

CUSTODIAL DOCUMENTATION

Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. Saint Rose School abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, we will provide the non-custodial parent with access to academic records and other school information regarding his/her child.

If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of that court order. The school will not be held responsible for failing to honor arrangements that have not been made known.

COMMUNICATION

School-home communication is vital. An emailed newsletter will be provided every Thursday. The emailed school newsletter will be the primary method of communication from the school office. The newsletters are archived and stored on the school's website.

CONCERNS

Concerns should be handled at the most direct level. Thus, persons having a concern in the classroom should contact that teacher directly. Attempting to work out such concerns mutually is certainly consistent with the demands of the Gospel and makes good sense as well. Only if such attempts have failed, should administration be contacted.

SOCIAL MEDIA POLICY

Parents and guardians must be mindful that social media presents a single-sided perspective. When children are referenced, a single-sided perspective can lead to vilification of a child who lacks the ability to defend him/herself. Such posts can also threaten the safety of our school community. We do not control who reads such posts or how someone may respond either in the cyber or real world. The safety and security of our children is the single greatest concern of the Saint Rose faculty, staff and administration, and therefore cooperation of parents and guardians who use social media is required.

1. Because we believe that Catholic schools are partners with parents and guardians, who are the primary educators of their children, parents and guardians should first contact their student's teacher(s) to discuss any school-related concerns. The school administration should be contacted after bringing the issue to the attention of the teacher(s) if the matter is not resolved.

2. Because we believe in the virtue of meekness and serenity of spirit, while focusing on the needs of others, parents and guardians should not use social media to lodge complaints, concerns, or attacks regarding school issues or any members of the school community.
3. Because we believe in the virtue of courtesy, recognizing that all people are made in the image and likeness of God, no student (other than one's own) should be referenced or mentioned on social media as it relates to any complaint, concern or attack. Students are youths and have a right to privacy, so references to or general insinuations about a student's identity that can lead others to identify a student will not be tolerated at Saint Rose.
4. Because we believe in the virtue of responsibility, violations of this policy or violations of the spirit of this policy may be grounds for dismissal of the family from the Saint Rose School community.
5. Saint Rose Catholic School identifies Compassionate Community as one of our core charisms. At the core of this charism is the understanding that our
6. Young people are to be nurtured and protected. Students are still growing and learning. They are likely to make mistakes. That is why God provides them with parents and teachers. We are here to support them and help them learn from mistakes. Our handbook highlights this charism, which is consistent with the Catechism of the Catholic Church (cf. 1784-1785).

CONFIDENTIALITY

Teachers will keep confidential information entrusted to them so long as no one's life, health, or safety is at stake. Parents will be promptly notified of teacher concerns.

EMAIL/VOICEMAIL

All Saint Rose staff members are equipped to send and receive email. A staff member can be contacted using the following address:

(staff member's last name)@saintroseonline.org

Example: borgelt@saintroseonline.org)

Messages can also be left by accessing the voicemail system.

SAINT ROSE WEBSITE

Please go to www.saintroseonline.org

CLASS WEBSITES

Classroom teachers may also have websites. Your child's teacher will provide information to you or you can go to our school website to access them.

Preschool through fifth grade will use Class Dojo to post information, share teacher newsletters and gather assignments.

The middle school teachers will use Google Classroom to post information, share instruction and provide a site for students to submit work.

Gradelink is the school's database, communication system and report card system. Grades four through eight will have weekly assignments and grades posted to Gradelink each week.

EMERGENCY THREAT LEVEL

The safety of the children is our top priority. For this reason, we have procedures in place should a Threat Level RED be announced by the Department of Homeland Security.

If a RED alert occurs before school hours, schools will be closed and all activities cancelled until authorized to open by our Regional Terrorism Task Force.

If a RED alert occurs during school hours, students will remain in school until regular dismissal time unless otherwise directed by the Regional Terrorism Task Force. All activities and events will be cancelled.

Should a RED alert occur, your cooperation in not calling the school or coming to pick up your child(ren) will greatly assist our efforts to secure the building and keep your child(ren) safe.

The Regional Terrorism Task Force will stay in contact with the school, so the phone lines need to be kept open. We ask you not to call the school. Likewise, we would have the building secured, so we ask you to please refrain from coming to the school.

Local safety authorities will keep us informed through the media.

Saint Rose School has a safety plan in place as well as an evacuation plan should the need arise.

FIELD TRIPS

Field trips are privileges afforded to students; no student has an absolute right to a field trip. Students can be denied participation if they fail to meet academic or behavioral requirements. School-sponsored field trips are arranged in advance with the principal. Written permission from a parent is necessary before a child may participate. The school will provide permission forms and **ONLY** this form will be accepted as permission for the trip. Failure to submit the proper form will result in a student not being allowed to participate in the field trip. Telephone calls will not be accepted in lieu of written permission.

Parents have the right to refuse to allow their child to participate in a field trip. If a child does not participate, a decision will be made by the administration if the child stays at school or at home and if it is considered an absence. The decision will be based on the length of the field trip and the age of the child.

WEATHER DELAYS AND CANCELLATIONS

The local media will relay messages of weather delays and/or cancellations. Please tune into the local news channels. Saint Rose School will follow Perrysburg School System. Saint Rose School will be listed separately. If Perrysburg is delayed or closed, Saint Rose School will do the same. An email will be sent to all families and a message will go out on Twitter. A decision will be made as early as possible. Please do not call the school, parish center, or rectory.

INVITATIONS

As a Catholic School we strive to include all students in our activities. Parents who want invitations to a party distributed at school must speak with the teacher prior to giving the invitations out. Invitations can only be given to:

- the entire class or
- all the girls or all the boys in the class.

If the parent chooses not to include the entire group, we ask that invitations not be distributed at school! The school office does not give out lists of addresses and/or phone numbers. Parents should refer to the Parent/Student Handbook and Directory for this information.

BIRTHDAY TREATS

Birthday treats/healthy snacks/holiday party treats may be brought to school. If the treat is for a child's birthday, parents must notify the teacher prior to the day the treat is brought in. Parents should contact the classroom teacher 24 hours prior to bringing the treat to class. A student may need to celebrate his/ her birthday on another day due to a special event.

To better ensure the safety of all of our students, any food item that is to be distributed during school must be commercially produced and labeled and individually wrapped with a list of ingredients (no homemade treats are permitted). The food item will be distributed at the discretion of the child's teacher. A list of allergens will be shared by the teacher.

Although we try to provide the safest environment for all of our students, Saint Rose cannot guarantee the food safety of any food item that is brought to school for distribution. Families of students that have allergies are encouraged to send

in some special treats to be kept by the teachers for any special dietary needs their children have. These treats must be shelf stable. The teacher will keep the snacks for one year to be distributed when food treats are brought in.

Please note, that instead of a food item, families may send in other items. Some ideas include:

- A favorite book to be donated to the class
- Stickers
- A small craft for the class to make
- School supplies

Please reach out to your child's teacher for any other ideas.

PARENT-TEACHER CONFERENCES

School-initiated conferences will be scheduled in November. If a conference is desired at another time, please request an appointment by a note or email to the teacher or by phoning the school office. Teachers are responsible for students from approximately 8:30-3:45 daily. Teachers may not leave their classrooms during the day to talk with parents, but they are happy to confer with you at any convenient time. Kindly do not telephone teachers at their homes unless they have asked you to do so. The school office does not give out teachers' telephone numbers.

STUDENT NAMES AND PICTURES IN PUBLICATIONS

The school reserves the right to use student names and pictures in publications and on the school's website. Any parent who does not wish his/her child's name or picture used must notify the administration via the form in the registration process prior to the beginning of the school year by completing the student photo agreement.

TELEPHONE

Children who need to call home are to do so **ONLY** from the office. No student is permitted to use any other phone during school hours. Parents are asked to make arrangements for picking children up at school **PRIOR** to the child leaving for school in the morning. If an **EMERGENCY** arises the parent may call the office and a message will be given to the child. Please do not call or text your child's cell phone during the school day.

TRANSFERS

Should you change your place of residence, please send your new address and telephone number to the school office. Please complete the Change of Address Form on the school's website. If your child is transferring to another school,

please notify the school office at least one week prior to withdrawal by contacting Mrs. Rakosik at rakosik@saintroseonline.org. Give your new address and the telephone number of the school your child will attend. Records will be sent to the new school upon our receipt of a written notice from the parents and complete payment of all fees, fines, etc. It will be necessary for you to get your child's personal possessions on the last day he/she attends our school.

CAFETERIA

Hot lunches are provided each day for the children. The price for students in grades K-8 is \$3.75 and includes milk. Milk purchased separately is \$0.60. We use an automated lunch program that students must access with their ID number. This number will be given to each student, and will be used throughout his/her time at Saint Rose School. Families can create a Payschool account to set up payments. Payment can be made directly to Payschool via credit card, or by sending cash or a check to the office. If a child does not have his/her lunch or lunch money in his/her account, he/she must call home. A child may not purchase a lunch with money from a sibling's account. Students who don't purchase a lunch are to bring a packed lunch from home. Eighth grade students are the only students that have the privilege of microwaving food.

RECESS

Children who are well enough to attend school need fresh air and exercise for good study and classroom attitudes. Therefore, weather permitting, the children have outside play for short periods during the day, and they must be dressed appropriately. Students will have outdoor recess unless it is raining or the temperature or wind chill is below 15 degrees. During the noon hour, the lunchroom supervisors oversee the playground areas. We do not have the means to care for the children except with the group. Please do not ask to have a child remain indoors during a recess unless there is a grave or unusual situation. If you feel that you do have such a reason for requesting an exemption, please notify the child's teacher in writing. The final decision regarding a child being allowed to remain inside will rest with the teacher and/or the office staff.

REQUEST TO BE EXCUSED FROM PHYSICAL EDUCATION

P.E. is a course required by the State of Ohio. Students who are present but cannot participate because of recent illness or injury must submit a note from their parent(s) to the teacher. This note will excuse them for that day only. In the event that a student will be unable to participate for more than one day, a medical excuse from a doctor is required.

DISCIPLINE CODE

PHILOSOPHY OF DISCIPLINE

Diocesan schools enter into an implied contract with the parents of their students that the school will educate their children as long as the latter abide by the school's academic and disciplinary standards. When a student, by attitude, voice, or action, violates disciplinary or academic norms they breach the contract justifying disciplinary action, including suspension or expulsion. In all of our actions dealing with the students, faculty, parents, and community, the overriding virtue binding all of us should be that of real love and concern for one another and respect for the dignity of all. Corporal punishment is not a form of discipline advocated or used in the school. Saint Rose School strives to reflect Gospel values, Lifelong Guidelines and Lifeskills and sets standards and expectations for students and their families. As a Roman Catholic school, we assume that parents and students who choose Saint Rose School will sincerely support the school's spirit, its code, and its expectations. As a school community we build on the faith development begun in the home. Communication between school and the home is vital. When teachers, administrators and parents work together in all aspects of a child's education, their united efforts can be very powerful in educating the whole child. As a school community we expect to be supported in the faith development continued here.

- Discipline must be an expression of love and justice.
- Discipline has a responsibility to meet a child's needs for direction and correction.
- Discipline affects our school community. Violations of the spirit of our school harm school bonding.

In order to effectively ensure the rights and responsibilities of the entire school community, and in order to secure and maintain conditions, which are most favorable to learning, this Code of Conduct and Code of Discipline will be followed throughout grades K - 8. Saint Rose School believes that each student is an individual and that there are varying degrees of involvement with any violation. The age of the student, frequency, and severity of the violation will be taken into consideration. These regulations will apply not only to conduct on school property, but also to all school-related activities and behavior to and from school, including bus conduct.

Serious violations of disciplinary standards may result in a maximum sanction of suspension or expulsion for the first offense if so designated. Repeated minor violations or infractions of disciplinary standards may also result in

suspension or expulsion. Depending on the seriousness of the offense, the administration may notify parents to pick up the student from school immediately.

A teacher or the administration may keep students after school for a detention. This time may vary from one half to one hour after school dismissal time. If a student is detained the same day that the offense occurs, the parents will receive prior notification by phone or email. In most cases, parents will receive written notice of the date, time, and reason for the detention. Parents will be responsible for providing transportation home.

The teachers and administration reserve the right to provide students an alternative consequence, which may provide further reconciliation or growth. These alternative discipline actions may be used in lieu of, or in conjunction with a discipline notification or a demerit. Some examples might be: service to the school community, detention after school, written assignments, cleaning, removal from the playground, removal from the cafeteria, denial of special privileges, or the lowering of a grade based on missed or incomplete work, etc.

Apart from serious discipline problems, minor difficulties may arise at school. Misbehavior, misunderstandings, and mistakes of judgment may occur occasionally in any school. Parents can use these episodes to teach their children the Gospel Guidelines and Lifeskills, as well as some important, practical truths. Saint Rose School expects parents to confer with their child's teachers regularly and to grant all teachers the courtesy and respect their positions deserve. If there is a question about justice or fairness in a particular incident, parents should discuss it first with the child's teacher. If the situation is still not satisfactorily settled, parents should confer with administration. The administration is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at its discretion.

Saint Rose School maintains confidentiality concerning disciplinary proceedings, not only because of legal guidelines, but also more importantly, for the interests of the students, and their family's privacy. Any singling out of a student in an unfavorable light is both educationally and ethically inappropriate.

At Saint Rose Catholic School, conduct of students/parents/faculty inside or outside of school that is detrimental to the reputation of the school, or those that attend, can be disciplined/dealt with according to our disciplinary code.

MINOR VIOLATIONS

A discipline notification will be issued to the student for each minor violation of the Saint Rose School Code of Conduct. Minor violations include, but are not limited to behaviors that do not contribute to academic and social success or conduct unbecoming a student in a Catholic school. They are behaviors which do not model the Gospel Guidelines and Lifeskills: trustworthiness, truthfulness, active listening, no put-downs, personal best, integrity, initiative, flexibility, perseverance, organization, sense of humor, effort, common sense, problem-solving, responsibility, patience, friendship, curiosity, cooperation, caring, courage, pride. The discipline notification will list the reason for the notification, the discipline action(s) taken by the teacher and the recommendation(s) to help the student learn from the incident. Each notification is to be signed by the parent and returned the following school day. Failure to do so will result in a demerit for the student. A student will receive a demerit for each accumulation of three discipline notifications. The homeroom teacher will issue the demerit. Discipline notifications are cumulative throughout the entire school year.

Violations for which discipline notifications may be given include, but are not limited to the following:

STUDENTS ARE TO ASSUME RESPONSIBILITY FOR ADJUSTING THEIR BEHAVIOR FOLLOWING A DISCIPLINE NOTIFICATION. FAILURE TO DO SO MAY RESULT IN A DEMERIT.

VIOLATIONS WARRANTING DEMERITS

A demerit slip will be issued to the student for each violation committed. The number of demerits will range from 1-5 depending on the age of the student, frequency and severity. Demerits are cumulative throughout the entire school year.

Each demerit slip will also list an appropriate required consequence assigned by the teacher. The consequence may be in the form of a written assignment, restitution, service hours, forfeited privileges, and/or any combination of ways deemed appropriate for the violation. Each demerit slip is to be signed by the parent and returned the following school day. The teacher and parent(s) are responsible to see that the consequence is fulfilled.

Failure to return a signed demerit the following day or fulfill a consequence within the specified time will result in a student detention.

- Failure to assume responsibility for adjusting behavior following a discipline notification (refer to Minor Violations)

These serious violations are cumulative throughout the student's years of attendance at Saint Rose

- Any behavior that is unbecoming of a Saint Rose student

The teachers or administration may search for and seize weapons, drugs, or other dangerous or illegal objects, where the teacher or administration has reasonable grounds to believe that such is in the possession of the student, especially where the student has no reasonable expectation of privacy; e.g. desks, books, lockers.

DETENTION

After the first accumulation of five demerits in one school year, a student will serve a 30-minute detention. The administration will contact the parent(s) by email to inform them of the infractions and the detention. Failure to report to an assigned detention could result in an in-school suspension. In addition to the detention, the student and his/her parent(s) will confer with the administration to determine a plan of action to help the student realize self-discipline. The school administration may assign a detention as an immediate penalty for a behavior code violation.

SUSPENSION

Saint Rose School uses both in-school and out-of-school suspensions as part of its student conduct code. In-school suspensions will be performed at Saint Rose School. In-school suspension students are expected to complete their regular course work within the suspension room. All assignments are due during their normally assigned times, similar to the due dates for students in class. Any assignments completed late will be counted as such by the teacher. The in-school suspension student will not participate in recess or lunch with his/her classmates. They are not to participate in any special events during the school day. The in-school suspension runs from 9:00 am until 3:30 pm.

Out-of-school suspensions are reserved for more serious violations. The out-of-school suspension is performed outside of Saint Rose School property, and the student is the responsibility of his/her parents/guardians. The absence will be treated as an unexcused absence for the duration of the suspension. Students are eligible to complete daily assignments for credit up to 69% of the grade. Ongoing assessments, such as tests, projects and quizzes that assess class beyond the scope of the suspension can be made up for full credit.

The first accumulation

of ten demerits in one school year may result in a 1 - 3 day suspension. The suspension is cumulative throughout the student's years of attendance at Saint Rose School.

The second accumulation

of ten demerits in one school year will result in a longer suspension and may result in dismissal. The suspension is cumulative throughout the student's years of attendance.

Students may earn a suspension based on the severity of their behavior without accruing demerits. Any behavior unbecoming of a Catholic student is subject to a detention or suspension.

ACCUMULATION OF SUSPENSIONS

If a student has served two suspensions throughout his/her years of attendance at Saint Rose School that student may be dismissed. Upon dismissal, a student may not be allowed to re-enter Saint Rose School.

CHRISTIAN DUE PROCESS AS RELATED TO SUSPENSIONS AND DISMISSAL

In order to ensure and protect the rights of all individuals, the procedures outlined below are offered to students that receive either a suspension for three or more days for the first offense and/or a maximum sanction of

expulsion for the first offense, or the dismissal from school in accordance with the Saint Rose academic policy. All dismissals and suspensions shall result in exclusion from all school related activities during the period of expulsion or suspension.

1. Prior to the suspension or dismissal the student and parent(s) shall be notified of the intention to suspend or dismiss and the specific reasons for the suspension or dismissal. The pastor shall be notified before the notice is given.

2. The student and parent(s) shall be given the opportunity to appeal the suspension or dismissal at an informal hearing before the disciplinary appeal group to challenge the reasons for the suspension or expulsion. Parents and legal guardians are the only representatives the student is able to have participate in the process. The student will be given the opportunity to present his/her viewpoint. The school administration will be provided the opportunity to present its perspective. The disciplinary appeal group shall consist of one teacher from K-5 , one teacher from 6-8, as well as one teacher representing the student (chosen by the parent and student).

3. If the suspension or dismissal is upheld after the hearing, the administration will give written notice to the student and parent(s) stating the length of the suspension or dismissal, the reasons for it, and the steps necessary to effectuate the student's return, if the student is allowed to re-enter.

4. An appeal to the pastor may be made within twenty-four hours after the disciplinary appeal decision.

5. The Catholic School Services Office shall be notified in all cases of dismissal.

1. Take appropriate disciplinary action as stated in the plan.
2. Notify the parents or guardians of the aggressor and target and inform them of the disciplinary action and action to be taken to prevent any further acts.

If an incident of bullying or retaliation occurs on school grounds and involves a former student under the age of 21 who is no longer enrolled in school, the principal or his/her designee informed of such incident shall contact the local law enforcement agency if he/she has a reasonable basis to believe that criminal charges may be pursued against the aggressor.

I. Policy Questions and/or Concerns:

- If any staff member has questions concerning this policy, he or she is encouraged to contact the Catholic Schools Office at 419-244-6711.
- In dealing with threats, harassment and bullying, ANY person who is aware of the situation has a responsibility to report it.

- The responsibility of the teacher or staff member is to follow the school discipline code and help the students resolve the conflict. The teacher or staff member is also responsible for informing the administration if the conflict is not resolved.
- The responsibility of the parent or guardian is to talk to the child about what is happening to try to determine a helpful plan of action. If efforts to resolve the conflict have failed, the parent should inform the school. A written report explaining the incident is to be given to the principal and signed by the parent or guardian.
- The responsibility of the administration is to investigate each report of threats, harassment or bullying. All allegations will be taken seriously and promptly investigated. Each report received shall be investigated in a

timely and confidential manner. No information will be released to anyone who is not involved with the investigation, except as may be required by law or is in the context of a legal or administration proceeding. No one involved is to discuss the subject outside of the investigation.

The student(s) involved in threatening behavior, harassment or bullying will be dealt with according to the discipline policy. This includes, but is not limited to intervention, evaluation, demerits, suspension, or dismissal, depending on the age of the student, frequency and severity of the violation, and the response of parents and students.

Incidents of threatening behavior, harassment, and/or bullying are cumulative throughout a student's years of attendance at Saint Rose School.

Incidents of bullying, harassment, or intimidation are to be reported in writing to a teacher or member of the administration. Reports of bullying, harassment, or intimidation may be made anonymously. The school administration is to be notified of all reports of bullying, harassment, or intimidation. Students who make false reports of bullying, harassment, or intimidation may be disciplined. Parents are to read the Bullying Prevention Policy and Plan for Schools and reinforce the policy with their child/children. Parents and students should understand that every individual has the right to be treated with dignity, to participate in, and to function in school without fear of bullying, harassment, or intimidation. Students are not permitted to use the following on school grounds unless given specific approval by a teacher or supervisor:

1. cell phones
2. hand-held electronics

POLICY FOR USE OF CELL PHONES, MP3 PLAYERS (IPODS), HAND-HELD GAMES, ETC.

Saint Rose School understands that technology changes constantly and that many students own some of the current technological conveniences in life such as cell phones, smart watches (with communication abilities), MP3 Players (iPods), hand-held games and personal electronics. The faculty and staff of Saint Rose believe that school is not a place where these types of items are needed; however, we respect a parent's decision to allow their child to have a cell phone, smart watch, iPod, hand-held game or personal electronic device. Such items need to be kept in either a student's locker or book bag. They are not to be used, seen, or heard during the school day, including extended day time.

Should a student need to use a telephone while at school, he/she is welcome to use the phone in the school office. If a student is working with a teacher after school, the teachers' rooms have telephones. Being a Catholic school, we are extremely concerned about the improper use of cell phones.

The use of cell phones, MP3 players (iPods), smart watches (with communication abilities), hand-held games, and/or personal electronics is not allowed anywhere on the Saint Rose School campus, unless a student has specific permission from a teacher, administrator, or supervisor. If one of these items is brought to school, it must be turned off and kept in the student's book bag. The student will take full responsibility for any of these items, which they bring to school. Saint Rose School accepts no responsibility for items lost or taken from lockers or book bags.

If a cell phone, MP3 player, smart watch (with communication abilities), hand-held game, personal electronic device, etc. is on, and specific permission by a teacher, administrator, or supervisor has not been given for its use, and/or if the item is not in a book bag, the following will occur:

- one demerit will be issued and
- the item will be given to the principal and
- only a parent may claim the item from the school office and
- a \$5.00 fine must be paid *

A second offense for having an item on and/or not in a book bag will result in the following:

- two demerits will be issued and
- the item will be given to the principal and
- only a parent may claim the item from the school office and
- a \$10.00 fine must be paid *

A third offense for having an item on and/or not in a book bag will result in the following:

- three demerits will be issued and
- the item will be given to the principal and
- the item will be kept in the school office for the remainder of the school year. Only a parent may claim the item from the school office and
- a \$20.00 fine must be paid *

If a student uses a cell phone, smart watch (with communication abilities), iPod, hand-held game, etc. on campus, and does not have specific permission from a teacher, administrator, or adult supervisor, the following will occur:

- three demerits will be issued and
- the item will be given to the principal and
- only a parent may claim the item from the school office and
- a \$25.00 fine will be paid *

* All fine money collected for cell phones, smart watches, iPods, hand-held games, etc. will be donated to the missions.

SAINT ROSE SCHOOL DRESS CODE 2023/2024 ACADEMIC YEAR

This code has been formulated through communication with parents, teachers, administration, and the Saint Rose School Advisory Council. We believe it is the responsibility of every student to take pride in himself/herself and in the school and to always dress in accordance with the dress code without being reminded to do so. We expect that parents will offer the first and best counsel to their sons and daughters in this matter and recognize that the student shares in this responsibility. It is the joint responsibility of the classroom teacher and the school administration, along with the full cooperation of the parents to enforce this dress code. Furthermore, Saint Rose School is committed to educating students to understand that self-expression is best illustrated by the quality of one's character, which can be revealed through behavior and attitudes. We are keenly aware of the impact that student attire has on these attitudes and behavior. Higher standards of dress results in better behavior. Our desire is to foster a respectful environment where individuals are appreciated for themselves, not for their apparent social, economic, or peer group status. The use of discretion is often necessary. The virtue of modesty should be emphasized. The ultimate interpretation and enforcement of the dress code must rest with the school faculty and administration. Students who violate the dress code will be disciplined. All clothes are to be neat and clean at all times.

These days may include birthdays (or an alternate date to celebrate the student’s birthday), picture days, or in celebration of a special award or event such as Catholic Schools Week or Right to Read Week. On such occasions, all clothing must follow the appropriate dress code policy and shall be within the guidelines of decency and good taste as appropriate for school.

HEALTH/MEDICAL

MEDICATION

The policy of the Ohio Board of Nursing states that “we cannot sanction a nurse administering an over-the-counter drug without a doctor’s order.” Consequently, all school personnel should be informed that the administration of any drug (prescribed or over-the-counter) without the order of the physician and permission of parent or guardian could be interpreted as practicing medicine and is, therefore, prohibited by law. Failure to complete the necessary forms will result in the parent coming to school to administer medication themselves. Forms are available in the office (See “Authorization to Administer Medication or Carry Inhaler Form” in the back of the handbook).

ACCIDENT OR ILLNESS

The school aims to enforce rules that will protect the child from accidents. If an accident occurs, first aid will be administered and action taken according to instructions given by the parents on the Emergency Form. Parents will be notified. If it is necessary for a child to return home because of illness, he/she will be permitted to do so after a parent has been contacted.

VISION/HEARING/SCOLIOSIS SCREENING

Under the direction of the school nurse, routine checks for vision and hearing defects are made periodically. The school maintains a complete health record file. Scoliosis screening is done in grades 5-8.

LICE POLICY

Once a student is identified as to having lice, the student must remain home for treatment. The student will only be admitted back to school once the student is lice/nit free for 24 hours. Students will need to be screened by the nurse before being allowed back to class.

HOMEWORK

Homework is an important part of the school experience. It is intended as an extension of the learning begun at school and while it may be written work, it could also consist of practice, drill, oral and silent reading, or time spent in studying.

All children in grades K-8 will be given assignments to complete at home on a regular basis. The time allowance for each grade level will vary. Students are expected to complete the work assigned to them and return it to school when due. All work should be neatly done and well organized.

Because children are unique, some require more time than others to assimilate knowledge and skills. For this reason, homework/home study time will vary to the child’s ability.

Parents can assist their children with homework and good study habits in several ways:

1. Provide a study area that is free of distractions.
2. Set aside a specific time each day during which homework is to be done.
3. Schedule short breaks every 15 minutes

Parents should note the amount of working time the child spends on the assignments given. If the time required to complete the work is in excess, this may indicate a problem. Please contact the teacher either by note or a phone call to the office, and work with him/her to seek a solution to the problem. Developing good study habits is important for the child's success throughout his/ her years in school.

INTERNET ACCEPTABLE USE POLICY

It is our intent to make Internet access available to further the educational goals and objectives of the curriculum of Saint Rose School. Along with access to computers and people all over the world comes the availability of materials that may not be considered appropriate in the classroom. With this privilege comes a set of rules for acceptable behavior. Each student and parent will sign the "Acceptable Use Policy" prior to using the Internet.

Each student in grades 6-8 will be required to have an iPad for use at school. For a yearly fee, Saint Rose will supply the student with an iPad for use throughout their 6-8th grade years at Saint Rose. This iPad remains the property of Saint Rose Catholic School until the student graduates from 8th grade. If a student leaves Saint Rose Catholic School before they have paid all fees attached to their iPad, they will have an option to "buy out" their iPad for the remaining cost. If they choose not to do this, the iPad will remain property of Saint Rose Catholic School. If a student enters Saint Rose as a seventh or eighth grader, the remaining balance of the iPad must be paid before it becomes the property of the student. If the balance is not paid, it will remain property of Saint Rose School.

Devices & Fees

Saint Rose supplies the base model iPad offered by Apple. This model changes yearly. Any incoming 6th grade student or new 7th/8th grade student opting to use an iPad supplied by Saint Rose will receive the most recent generation of iPads. Below are the yearly fees attached to the device.

6th Grade: \$125 Yearly Fee

7th Grade: \$125 Yearly Fee

8th Grade: \$100 Yearly Fee

Security

All iPads will be monitored through a Mobile Device Management (MDM) system. Through the MDM, profiles will be installed that will restrict certain functions of the iPad. This will minimize distraction and ensure the device is used to aid in learning throughout the school year.

All software will be installed by the Saint Rose Catholic School Technology Department. All software and books on the devices will be licensed to Saint Rose Catholic School. At no time should a student or parent install software that is not licensed to Saint Rose Catholic School.

Restrictions and software may not be removed from the device. If software or restrictions are removed or attempted to be removed from the device disciplinary actions will be taken.

All devices remain the property of Saint Rose Catholic School until graduation from 8th grade and/or all fees attached to the device are paid. Saint Rose has the right to supervise all use of the device. While on campus, all devices, even devices from home, can be monitored for content stored or accessed through the network.

The students will have access to the internet with their devices. Internet filtering will be provided while on the Saint Rose campus. When the device leaves the campus, the student and families will be responsible for internet security. It is suggested that an internet filter be used at home.

Devices From Home

A student who already owns an iPad that meets the minimum requirements listed below, may use this device at Saint Rose Catholic School.

All iPads used by students on the Saint Rose campus, including iPads brought from home, will be enrolled in our Mobile Device Management System (MDM), which will restrict certain apps and other functions of the device. All iPads, including iPads brought from home, will be monitored by Saint Rose Catholic School. Restrictions placed on the device by the MDM may be removed by the technology staff during extended breaks, or at the parent's request. If the MDM restrictions are removed from the device, it will no longer be able to be used at Saint Rose Catholic School until the restrictions and apps are installed again.

The Following Devices are Approved for the 2023/2024 School Year: iPad Mini (5th generation), iPad Air (3rd Generation), or 6th generation iPad or newer.

Cases

Students will be required to purchase a protective case for their iPad. Keyboard cases and non-keyboard cases are acceptable. Cases should cover corners and protect the device.

- Students will ask for help to fix problems with device.
- Students will never take a picture, video, or audio recording of someone without their permission.
- Students will understand teacher's expectations of using the iPad in the classroom.

Classroom Use

Saint Rose School students in grades 6-8 will utilize their iPads in classrooms for academic and school-related purposes. In order to promote safety, attentive-ness, self-control, and responsibility, teachers will direct students to the proper times that iPads may be used at school.

From the time of their arrival at school, throughout the school hours, and until leaving school grounds, students should only use the iPads with the permission of a teacher. This includes study hall periods, homeroom, lunch, dismissal, recess, and extended day.

When using their iPads, students should only be accessing the app or website that their teacher indicated. Sound should be turned off unless directed otherwise by a teacher.

All Saint Rose School technology policies are in effect for laptops, computers, iPads, and calculators, including regulations and recommendations regarding security and storage.

Discipline Infractions of this policy will result in a demerit for the first offense. The second offense will result in two demerits. A third offense will result in a detention and a conference with parents.

Parent Responsibilities

- Parents will supervise student's use of the device outside of school.
- Parents will discuss proper and moral use of the device and internet with their child.
- Parents will not attempt to repair school issued devices. Damage or problems with the device will be reported to the school.
- Parents will make sure student charges their system nightly and brings it to school daily.

Lost, Stolen, or Damaged Device

If an iPad is lost, stolen, or damaged notify a teacher or principal immediately. The student is responsible for the full cost of replacing a device that is lost, stolen, or damaged. Saint Rose Catholic School is not responsible for lost, stolen, or damaged devices.

Insurance

Insurance is recommended. Parents are responsible for securing their own insurance. You will be required to sign a financial liability form. This form states that you will be financially responsible for any damage to your device not covered under warranty or out of warranty. You will also be liable for the cost of replacing a lost or stolen iPad.

SOCIAL MEDIA ACCOUNT POLICY

As a result of the negative mental and physical health impacts on children who regularly use social media, including increases in depression and anxiety, poor sleep habits, exposure to explicit content, and online harassment/bullying, and in light of a new Ohio law requiring parental consent for social media use for children under the age of 16, students are no longer permitted to operate individual accounts on platforms that allow for interactions in which individuals create, share, and exchange information/ideas/communication in virtual communities. This includes, but is not limited to Facebook, Snapchat, X(Twitter), WhatsApp, Instagram, TikTok, YouTube, etc. The use of a parental or family account rests with the consent and discretion of the parent/guardian. The use of such a platform for school-related projects or assignments still requires the consent of the parent/guardian and is limited to the required application.

PRINCIPAL'S DISCRETION

The Saint Rose Parent/Student Handbook states the general academic and disciplinary policies and procedures. Because they are general, the use of discretion is often necessary. The ultimate interpretation and decision-making must rest with the principal as chief educational leader. The principal retains the right to amend the handbook for just cause, and parents will be given prompt notification if changes are made.

TRANSPORTATION

Students riding school buses are expected to follow the school district “code of conduct.” Any disturbances on the school buses while parked or moving will be reported to the administration and disciplinary action will be taken.

Students must comply with State Regulation #3301- 83-08 (C) (13) regarding bus transportation. This states that students will ride their regularly assigned bus and load and unload at their regular stop. In an EMERGENCY SITUATION, a student is permitted to change their regular bus stop. This requires a written request signed by the parent and submitted to the school office for an authorized administrator’s signature. The properly approved request must then be presented to the driver. NO EXCEPTIONS. This means that a student is only allowed to ride their assigned bus and get on and off at their assigned bus stop unless there is an emergency situation.

VOLUNTEERS

Parental involvement in school programs and activities is invaluable. It is with your assistance that we offer such a fantastic program at Saint Rose. That is why we encourage parents to become involved whenever and wherever possible.

Your help is needed in a variety of positions such as a library volunteer or as a room parent. Please consider becoming involved. Contact the office for further details. All volunteers in the school should have the approval of the principal. All volunteers and/or parents who have contact with students (field trips, class- room volunteers, etc.) must have a BCI report done, have attended a Protecting Youth Workshop and signed the Diocesan Expectations Form. If you have not been an Ohio resident for 5 years you must also have an FBI report done. The BCI report, FBI report and the Protecting Youth Workshop must be done every five years.

SAINT ROSE ILLNESS POLICY FROM THE HEALTH OFFICE

Students should be kept home from school when they have:

- A temperature of 100 degrees or higher. Children should not return to school until they have a normal temperature, without benefit of fever reducing drugs, for 24 hours. Examples of fever reducing drugs are Tylenol or Advil.
- Vomiting or diarrhea within the last 24 hours (Not related to a known non-infectious cause such as gagging on something or mild diarrhea related to medication).
- Eyes that are red and have thick drainage, especially if crusted upon awakening (Need to contact doctor for medication).
- Severe cough that has not been evaluated by your doctor.
- Sore throat with a fever or tender and/or swollen neck glands, especially if having difficulty talking or swallowing (Check with doctor).
- Have lice/nits present on the scalp. Children must be inspected by the nurse prior to returning to class and be lice/nit free for 24 hours.

Saint Rose follows the guidelines of the Wood County Health Department regarding all infectious diseases.

Please also consider the following when determining whether to keep your child home:

- Appearance/behavior---unusually tired, listless, pale, irritable or decreased appetite
- A rash of undetermined origin.

Make sure your child is well before returning to school. This protects other students and staff as well as your child. Children who are not fully recovered are prey to the next infection to which they may be exposed. Please inform the school nurse if your child has strep throat, chickenpox, flu or head lice. You may do this when you report your child absent.

Policy for Threats of Harm to Self or Others

When any student verbalizes a threat of physical harm to him/herself or others, the student is required to get evaluated by an outside professional to ensure their own personal safety or the safety of others. The student will not be permitted to return to school until documentation is provided to the principal, which deems the student is safe to return. The parent/guardian of the student is responsible for the proper medical follow up that may encompass various financial responsibilities.

In such instances, administration and teachers will be notified to ensure the safety of the student(s).

OVERSEEING THE NON EMERGENCY ORAL ADMINISTRATION OF MEDICATION

Doctors are the only persons qualified to prescribe medications. Pharmacists dispense them. The diagnosis and treatment of illness and the prescription of drugs, medications, preparations or remedies is the responsibility of a family physician, not the responsibility of your school or any of its employees, including nurses. Both state and federal law restrict what medication may be administered by nurses or other authorized school personnel.

It is diocesan policy to discourage the taking of any oral medication during the school day. There are, however, some unique circumstances, which require the cooperation of physicians, parents and school personnel in overseeing the administration of prescribed medication to students.

The school should not routinely administer any non-prescribed (over-the-counter) drugs, medications, preparations, or remedies without the parents' approval. Responsibility for overseeing the administration of non-prescribed medication rests solely with the parent or legal guardian and the student. The school would prefer that parents personally administer medication to their children, before or after school, at recess or during the lunch hour.

When a student is so ill that oral medication is temporarily required, parents/guardians should consider keeping the student at home until the need for medication is eliminated.

In those special cases where a student needs to take prescribed oral medication during the regular school day while at school, but a parent cannot personally administer it, the following rules shall apply:

1. Parents should first consult with their child's physician to see whether the medication schedule can be adjusted so that the medication can be taken at times other than during school hours.
2. Whenever a student must take prescribed medication during school hours the appropriate physician request and parent release forms must be on file in the student's green health folder and available to the person designated by the school before the student will be allowed to begin taking the medication in school.
3. Medication is to be brought by the parent/guardian to the principal's office or nurse's office for safe keeping in the same container in which the prescribing physician or pharmacist dispense the drug.

4. For each prescribed medication, the container should be labeled with the following information: student's name; name of physician; date, name and telephone number of pharmacy; name of medication; dosage; frequency and any special handling and storage directions.

5. At each school or location, all medications are to be kept in a secure and safe storage unit not accessible to students.

6. The parent or legal guardian is responsible for seeing that the school is supplied with an adequate supply of medication.

7. Any unused medication not claimed by the last day of school each year will be destroyed by school personnel.

8. If a school has a full-time nurse, the nurse will oversee the administration of medication. In the absence of a full-time nurse, responsibility rests with Dr.

Bryon Borgelt or any other person specified by the principal in his/her absence. The school shall designate the person(s) authorized to administer such medication, with their agreement.

9. It is the responsibility of the parent or legal guardian to instruct the child to report to take the medication at the designated time. Efforts will be made by school personnel to communicate a student's medication needs to teachers or other appropriate staff members.

10. A log shall be kept for each prescribed medication in the student's green health folder, on which the school personnel will note at that time each occurrence of overseeing the student taking his medication.

11. New request forms must be submitted each school year and whenever the medication or dosage is changed, which remains the parent's responsibility.

12. All the above rules relate to the non-emergency overseeing or administration of prescribed drugs. In a medical emergency the parent/guardian should be immediately notified and appropriate arrangements made for immediate medical attention.

13. Strict adherence to the above rules is necessary to protect the school; persons(s) designated to administer the medication and the student.

A NEW FORM MUST BE COMPLETED WHENEVER THE PRESCRIPTION CHANGES AND AT THE BEGINNING OF EACH SCHOOL YEAR.

ACCIDENTAL POISONING

IN 2020, 61,500 CHILDREN UNDER THE AGE OF FIVE WERE VICTIMS OF ACCIDENTAL POISONINGS.

The most frequent cause of accidental poisoning among children are: medicines, household substances, insect sprays, kerosene, lighter fluid, some furniture polishes, turpentine, paints, solvents and products containing lye and acids.

Here are some SAFETY TIPS that will keep your children safe and reduce the risk of poisoning.

- Keep household products and medicines out of reach of children. If possible keep in a locked cabinet or closet.
- Always relock the safety cap on a medicine bottle. If it has a locking cap that turns, twist it until you hear the click or you cannot twist any more.
- Don't remove medicine from a child-resistant package and put it in another type of easy to open container. Keep medicines in their original bottles or containers whenever possible. If you transfer medicines to another container, such as a pill minder or organizer, store them in a place that is too high for a child to reach or see, since these containers are often not child-resistant. If possible, ensure the storage location has a safety latch.
- Read medicine and product labels before each use and follow directions exactly.
- All products should be properly labeled; read the label before using.
- Never give or take medicine without sufficient light by which to read the label.
- Use only the measuring device (dosing cup, dosing syringe, or dropper) that is included with your medicine. If a measuring device is not included or you do not receive one, ask for one from your pharmacist. Don't substitute another item, such as a kitchen spoon. Children tend to imitate adults, so you should avoid drinking medicine from the bottle.
- Never refer to medicines as candy; call it by its proper name.
- Never take more than the prescribed amount of medicine.
- Never share your prescription medicines or take old medicines.
- Monitor the use of medicines prescribed for children and teenagers, such as medicines for attention deficit disorder, or ADD.
- Tell your doctor what other medicines (including vitamins and herbal supplements) you are taking so you can avoid harmful or dangerous drug interactions.
- Clean out the medicine cabinet periodically, and safely dispose of medicines that are expired or no longer needed. Look for Drug Take Back Options.
- Call the Poison Center if an emergency arises.**

PRESCHOOL HANDBOOK

PHILOSOPHY

Saint Rose Preschool believes that children are unique individuals experiencing life and gathering information at their own pace. Young children grow and gather knowledge most effectively through concrete experiences. Jean Piaget’s theories of development state that children learn through active exploration of an environment, rich in hands-on opportunities. Therefore, our goal is to create a stimulating “play” environment that encourages young children to observe, to be active, to make choices, and to experiment. The curriculum is designed to meet the needs of the “whole child.” We strive to provide an environment that promotes this philosophy through the child’s spiritual, cognitive, language, social, emotional, physical, and creative development. Children are born with an innate drive to learn. Believing parents are the first teachers, partnerships are developed with families for children to thrive and become lifelong learners.

Our religion curriculum (Stories of God’s Love) supports fundamental Catholic faith concepts, such as loving God, ourselves, our families, our friends, and all living things. Taking care of God’s earth and the gifts God has given us is an integral part of the child’s learning environment. We believe that developing a positive self concept, feeling good about oneself and others, is of the utmost importance in nurturing the spirit within each child.

GOALS

In keeping with our Philosophy, our goals are designed to help each child:

- * develop an awareness of being a child of God and growing in God’s love
- * develop a positive self concept
- * promote respect for self, others, and all living things
- * grow creatively through “hands-on” experiences
- * expand independence by providing opportunities to make choices
- * use all senses in learning
- * experience learning in a play environment that balances both active and quiet activities that encourage self reliance and confidence.

Preschool Curriculum outlined with examples

The curriculum is aligned to the Toledo Catholic Diocese Preschool Curriculum and the Early Learning Contact Standards adopted by the Ohio Department of Education. This will support and nurture growth in spiritual, cognitive, language, social, emotional and physical development. Early

learning content standards for English Language Arts, Mathematics, Social Studies, and Science will also be interwoven through the daily curriculum. Our nurturing learning environment will support and meet the individual needs of each child by giving a balance of both quiet and active play throughout the day.

NON-DISCRIMINATION POLICY: In accordance with Christian principles Saint Rose Preschool recruits and admits students of any race, color or ethnic origin to all the rights, privileges, programs and activities. In addition, the school will not discriminate on the basis of race, color, ethnic origin, or handicap (if students can function in the environment) in administration of its educational policies. In addition, the school is not intended to be an alternative to court administrative agency ordered, or public school district initiated desegregation.

Saint Rose Preschool will not discriminate on the basis of race, color, or ethnic origin in the hiring of its certified or non-certified personnel.

POTTY TRAINING POLICY

All students must be potty-trained in order to attend Saint Rose Preschool. This includes independently undressing, wiping and dressing. Therefore, no diapering or pull ups may be used during the school day. If a student has a total of two accidents in five consecutive school days, a meeting with the teacher, preschool director, and parents will be held to create an action plan. The action plan will be implemented for a two week period to help with independent use of the restroom. If the action plan is not successful in two weeks, the student will be dismissed from the program. If a student has two accidents in one day, a parent/guardian will be called and the student will be sent home for the rest of the day. Therefore we encourage loose, comfortable clothing that a child can easily pull up and down by himself/herself to ensure a successful day.

REST TIME/QUIET ACTIVITIES

Children who stay for the full day will have a rest period after lunch. During rest time any child who does not fall asleep/wakes from nap will have the opportunity to engage in quiet activities such as coloring, drawing, reading a book, and/or using small manipulatives while resting on one's own cot. A child may also bring a small, soft comfort object such as a stuffed animal. All children will be spaced from head to toe and every effort will be made to place at least 6 feet apart.

STAFF/CHILD RATIOS

We observe the following staff/child ratio according to State guidelines.

Age Staff/Child Ratio Group Size:

State Ratio	St. Rose Ratio
3 Yr. Olds One adult: 12 (1:12) 2:24	3 Yr. Olds One adult: 10 (1:10) 2:20
4 Yr. Olds One adult: 14 (1:14) 2:28	4 Yr. Olds One adult: 11 (1:11) 2:22
Kindergarten Readiness: 14 (1:14) 2:28 (1:13) 2:26	Kindergarten Readiness:13

***All ratios are subject to change if directed by state guidelines**

PRESCHOOL STAFF

All preschool staff are required by the Ohio Department of Education to complete annual inservice training of Early Childhood Development. The staff has also been trained in Infant, child and adult CPR, first aid, AED, child abuse and communicable diseases. Everyone working in Saint Rose is required to complete a thorough BCI/FBI background check. All Teachers hold an Associate degree or higher in Early Childhood Education or related fields.

EXTENDED DAY

We offer an extended day program for preschool. There is an annual \$50.00 registration fee per family. The before school program begins at 7:00 AM, and ends at 8:45 AM. The after school program begins at 3:30 PM, and ends at 6:00 PM. The extended day fee is \$6.00/hour. A \$1.00 per minute charge will be added after 6:00 PM. You must sign your child in and out. If you fail to do so, you will be charged the maximum number of hours for that day. Families will be billed on a monthly basis. Payment is due within 10 days from the billing date.

ARRIVAL, DISMISSAL AND ABSENCE POLICY

Arrival: Children should arrive for their class between 8:45 and 9:00 AM. Specific arrival instructions will be given to the parents at the beginning of the school year.

Tardy: School begins at 9:00 AM. Any child reporting after the teachers are already inside must report to the school office for an admittance slip. Parents and students cannot be let in the Elm Street doors if they are tardy.

Dismissal: Our AM students dismiss at 11:30. Our PM students dismiss at 3:30. Specific pick-up instructions will be given to parents at the beginning of the school year.

Alternate Dismissal: The safety of your child is our primary concern. Therefore, any student going home with someone other than a parent/guardian must present a note giving permission for that person to

transport the child.

Absence: Saint Rose requires all parents to notify the school when a child will be absent. Parents should notify the office before 9:30 AM on the day of absence. If a parent knows their child will be absent on a particular day a note in advance would be greatly appreciated.

SCHOOL SUPPLIES

Each family will be asked to supply items at the beginning of the school year, which will include paper products and art items. Parents will receive an itemized list in August. In addition, each child should have a **large backpack** to hold a lunch bag, change of clothes and a folder that can be completely zipped. Also, please have the child's name on the outside and a change of clothing in a zip lock bag inside. The change of clothing should include underwear, pants, shirt, and socks. The child should bring their backpack to school every day.

SNACKS/LUNCH

Parents will provide daily snacks for their child. We encourage you to provide healthy nutritious snacks and a lunch (if applicable) each day your child is in session. **Please remember, we are a peanut free school.** We have non-perishable food items on hand if a child forgets or needs to supplement a snack or lunch.

BIRTHDAY CELEBRATIONS

Birthdays are celebrated throughout the school year. The child's parent may bring in special juice boxes or a pre-packaged treat that is peanut free for the class on the child's special day. However a special treat is not necessary.

INVITATIONS

As a Catholic school we strive to include all students in our activities. We ask parents who wish to send invitations to a party and would like them to be given out at school to either: include the entire class, or choose a specific gender. If the parent chooses not to include the entire group, we ask that invitations not be given out at school.

PARENTAL PARTICIPATION

We believe that parents are one of the most important factors in the success of our preschool program. Opportunities for parents may include field trips, parties, events and conferences. If you would like to volunteer please ask about the diocesan Virtus requirements that are online on our website.

Conferences: Parent/teacher conferences will be offered twice during the school year, in the Fall and Spring.

Communication: Each child will be given a Home/School Folder to keep in

their backpack at all times. The folder will serve as a means of communication between home and school. The contents of the backpack will be checked daily for incoming correspondence by preschool staff and should be checked daily by parents/guardians. We also use a class website called Class Dojo. This is a communication tool that allows teachers and parents to partner and create an open line of communication for emailing, and posting important events throughout the school year.

The school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, a school will provide the non-custodial parent with access to monthly school calendars, newsletters, progress reports, and other school-related information. The non-custodial parent is responsible to supply the director or teacher with self-addressed stamped envelopes for the year (12 in all). If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

Class Roster: A list of the names, addresses and telephone numbers of the parents or guardians of children attending the preschool are available upon request by a parent with a child in the class. The roster will not include the names, addresses or telephone numbers of any parent or guardian who requests his/her name not be included.

CLOTHING

In order for your child to have freedom of movement and participate in all the varied activities, please dress your child in comfortable play clothes and shoes. A change of clothing should be kept in a ziplock bag and stored in your child's backpack at all times (seasonally appropriate). This should include a shirt, pants, underpants and socks.

TOYS FROM HOME

We ask that children leave their special toys at home or in the car. We cannot be responsible for them.

FIELD TRIPS

Classroom field trips are arranged by the classroom teacher and approved by the principal. Transportation will be provided by the parent/guardian to and from the destination. Parents are required to accompany their child for the duration of the field trip. If you are unable to take your child on the field trip, you are responsible for your child's care that day.

SCHOOL SCHEDULE

The Preschool is in session for ten months (August - May), and follows the same calendar as Saint Rose School.

PRESCHOOL VISITATION

Before preschool begins, we offer individual classroom picnics for families and preschool staff. In addition, we offer a parent orientation night where we go over our handbook, policies and procedures for preschool.

TRANSITIONING

Children enrolled in our preschool, moving onto kindergarten at Saint Rose school, will have the opportunity to visit the kindergarten classrooms and meet the teachers in the spring. This experience is intended to help the students transition comfortably into the elementary school setting.

INCLEMENT WEATHER DAYS

If Perrysburg schools are closed or delayed due to conditions such as fog or snow we will be closed or delayed also. If weather conditions cause a delay, the morning class will attend from 11:00-12:30. Those that attend all-day will be from 11:00-3:30. The half-day Kindergarten Readiness will attend from 11:00-12:30. The all-day Kindergarten Readiness will have class from 11:00-3:30.

MEDICAL EXAMINATIONS

A complete physical examination by a licensed physician and a copy of the child's immunization record is required by the Ohio Department of Education **in order to attend the first day of preschool**. If a parent chooses not to vaccinate their child, an exemption signature must be provided by the child's pediatrician on the child's medical statement. **The physical examination must have occurred within 12 months prior to the beginning of the school year and renewed annually.**

Healthchek services for children under 21

If your children are enrolled on Ohio Medicaid, Healthchek services are available to them. Healthchek is Ohio's Early and Periodic Screening Diagnosis and Treatment program. It is a service package for children enrolled on Ohio Medicaid. For more information please call (800) 324-8680.

ILLNESS, COMMUNICABLE DISEASE AND EMERGENCIES

The Communicable Disease Chart published by the Ohio Department of Health is posted in each classroom. Staff members have completed the courses on Communicable Disease, First Aid, CPR and Child Abuse Prevention. A handbook describing signs and symptoms of illness, hand washing and disinfecting procedures is available for staff and parent

information.

Illness: A staff member who is ill or becomes ill will be sent home and a substitute teacher will be contacted to replace her. Saint Rose will care for a child who is experiencing minor cold symptoms but who is not exhibiting any of the communicable disease symptoms. If a child has or develops any of the communicable disease symptoms during class, parents will be notified and the child will be isolated, with the school nurse or an assistant, until the parent arrives. A letter will be sent home to all the parents to inform them their child might have been exposed to a communicable disease.

Communicable Disease Symptoms:

- Diarrhea (more than one abnormally loose stool within a 24 hr. period)
- Vomiting
- Sore throat or difficulty swallowing
- Severe coughing, causing the child to become red or blue in the face or to make a whooping sound
- Temperature of 100°F taken by the auxiliary method when in combination with any other sign of illness
- Difficult or rapid breathing
- Stiff neck
- Yellowish skin or eyes
- Evidence of lice, scabies, or other parasitic infestation
- Conjunctivitis/Pink Eye
- Green/Yellow discharge from nose
- Untreated infected skin patches, or unusual spots or rashes
- Unusually dark urine and/or gray or white stool

Please contact the school if your child has a communicable disease so that we can notify other parents that their child may have been exposed to the illness.

A child may return to school upon verification from the parents that the child has been free from the communicable condition for a 24 hour period, or in accordance with the minimum control standards listed on the Communicable Disease Chart as established by the Ohio Department of Health.

Emergencies: In case of accidental injury, the teachers will call the school nurse. The nurse will assess the severity of the injury. Minor accidents will be treated with first aid procedures. In case of an emergency, an attempt will be made to notify the parents at home and/or at work. If the parents cannot be reached, emergency contacts indicated by the parent on the emergency or registration form will be contacted. Then an action will be taken according to instructions given by the parents on the emergency sheet.

Emergencies and accidents will be recorded in an Incident Report by the

school nurse or preschool staff member. A copy will be filed with the nurse or preschool teacher and one shared with the parent or guardian. Medication: Medication including aspirin, cold medications and prescriptions, will not be administered by any staff member.

CHILD ABUSE POLICY

The Director and each employee is required by law to immediately notify the local public children service's agency when they suspect that a child has been abused or neglected.

SPECIAL NEEDS

The teacher of young children has the unique opportunity to observe the individual learning styles of each child as he/she enters the school experience. It may become apparent to the teacher that some children have special needs which require special intervention. The teacher would act as a referral source for further evaluation.

DISCIPLINE POLICY

Saint Rose Preschool believes in using a positive approach to discipline. We believe that by encouraging good behavior, we help teach the children respect for self and others. Constructive, developmentally appropriate child guidance and management techniques will be used at all times. The techniques include such measures as redirection, separation from problem situations, talking with the child about the situation, and praise for appropriate behavior. Physical punishment will never be used as a means to modify negative behavior. Parents will be notified of the behavior issues and a conference may be necessary to establish an action plan. The director may require the parents to withdraw a child if placement in the preschool is not in the child's and/or the school's best interest.

We are committed to providing a safe environment for all students and staff. Behaviors that are harmful to other children and staff include but are not limited to punching, pinching, biting, spitting, and kicking.

SAFETY RULES

For your child's safety the following rules have been established:

1. No child will ever be left alone or unsupervised.
2. No child will be allowed to cause bodily harm to other children or staff members.
3. A teacher or aid will be with the children during arrival/dismissal times.
4. No child will be released to a person not authorized by a parent or guardian. We must have a written authorization for changes in this respect. All visitors must enter the main door to be buzzed in and given a visitors pass.
5. Staff members have immediate access to a telephone in case of

emergency.

6. Emergency numbers are posted by the telephone, along with the fire, emergency and weather alert plans.
7. Monthly fire drills are conducted and a record of these is kept at school. All exits are marked. A fire alarm system is in working order.
8. Tornado drills are held in season.
9. An Incident Report shall be completed and a copy shall be given to the parent the day an accident or injury occurs.
10. Spray aerosols shall not be used when children are present.
