Dear Bride and Groom,

Congratulations on your decision to marry! Holy Matrimony is a big commitment, but even more, it is a holy calling (“vocation”) from the Lord. Our most basic calling in life is to imitate God, who is love. Holy Matrimony is one very important way of following Christ and responding to this call from God that we love one another.

On the day of your wedding, you will publicly give yourselves to each other, without condition and for the rest of your lives. With God’s blessing and in the midst of the Church, you will enter into a holy covenant. Your committed, mutual love thereby will become an image (sacrament) of the absolute and unfailing love with which God loves us all. In the midst of your planning, please remember that your wedding will last a day, but your marriage is for the rest of your lives. Be sure to invite the Lord not only to your wedding, but also into your marriage!

This booklet is designed to provide you the information you need to know about preparing for Holy Matrimony at Saint Rose Parish. A significant portion of the booklet concerns the guidelines for the wedding liturgy. These guidelines have one ultimate goal: to help ensure that your wedding ceremony will be a beautiful and prayerful celebration, one based on the principles of authentic Catholic liturgy.

As you prepare for Holy Matrimony, may the Lord Jesus, who himself was a guest at the wedding feast at Cana (John 2:1-11) continue to bless and deepen your love and commitment to each other.

Faithfully in the Lord,

Rev. Msgr. Charles E. Singler
Pastor

PREPARATION FOR MATRIMONY

Since Holy Matrimony is an exclusive, life-long commitment that can only be dissolved by death, it is not to be entered into lightly. The Church's one desire is that you have a strong, life-long marriage that is filled with God's grace and deep mutual love. In order to help you prepare for making this commitment to a total sharing of life, at least six months of preparation is required in the Diocese of Toledo before celebrating the Sacrament of Holy Matrimony.

At Saint Rose Parish, you will first meet with one of our priests or a member of our pastoral staff who will help confirm your ability to enter into the matrimonial covenant and will assist in arranging your ceremony at Saint Rose. No other venues or services should be booked until you have had this initial meeting with the priest or pastoral staff member and you have set a date for the ceremony.

Preparation for Holy Matrimony consists of individual meetings with a member of the clergy at Saint Rose as well as a marriage preparation workshop experience endorsed by the Diocese of Toledo. In addition to these requirements, couples preparing for Holy Matrimony at Saint Rose are asked to take part in a Natural Family Planning course either in-person or online as part of their preparation.

With the permission of the Pastor or Parochial Vicar of Saint Rose, a couple who currently lives far from the parish can arrange to do their preparation at a parish near them or complete an online preparation program. Such couples still need to meet in-person with one of our priests or a pastoral staff member at Saint Rose to begin the process and schedule the ceremony.

Visiting Priest or Deacon

With the explicit permission (“delegation”) of the Pastor of Saint Rose, a visiting priest or deacon may officiate at your wedding. Please discuss this with the priest or a pastoral staff member at your first meeting. If the priest or deacon is from outside the Diocese of Toledo, he must submit a letter of suitability from his own diocese or religious superior to the Chancellor of the Diocese of Toledo. This is a nationwide requirement.

Required Documents

As part of marriage preparation, the following documents will need to be provided by each couple:

Certificate of Baptism

A recently issued certificate of baptism is required for all Catholics. St. Rose Parish will obtain this certificate for you. You will need to provide the Parish Office with the information pertaining to your baptism. Please bring any baptismal information you have to your first marriage preparation session with the Pastor. At a minimum, this includes the name of the parish and city where you were baptized.

Non-Catholic Christians who are baptized are asked to obtain a letter or certificate from the church where they were baptized. Please arrange to have these mailed directly to Saint Rose Parish, 215 E. Front St., Perrysburg, OH 43551.

Previous Marriage

Any previous marriage that either party was involved in will require a Declaration of Freedom to Marry and may require a Declaration of Nullity (commonly called an “annulment”). Please advise the priest or pastoral associate immediately of any previous marriages, regardless of where or when they were celebrated. We are absolutely forbidden from setting a wedding date until these proceedings are completed in their entirety.

Marriage License

This is to be obtained from the Ohio county probate court for the county in which either one of you presently reside. It is valid for 60 days. Please submit the marriage license to the parish office no later than two weeks before your wedding. The priest or deacon must have the license before witnessing the marriage.

“Marriage license applications are completed at the Wood County Probate Court located on the second floor of the Wood County Courthouse in Bowling Green, Ohio. Wood County Probate Court's hours for accepting marriage license applications are Monday through Friday, 8:30 a.m. to 4:30 p.m. **Applicants are asked to arrive by 4:00** to allow time to complete the application process. The office is closed on legal holidays.

- Residency Requirement:
 - If you are an Ohio resident, you must apply for your marriage license in the county in which one of you resides. You are then able to be married anywhere in the State of Ohio.
 - If both parties are out-of-state residents and wish to apply in Wood County, the marriage must occur in Wood County.
- Proof of Age and Residence:
 - Both parties must be 18 or older. (Otherwise, special rules for juveniles apply. Call Probate Court for more information--419-354-9230.)
 - Acceptable forms of identification include a valid driver's license, a state ID card, birth certificate issued by the health department or vital records office, or passport.
 - Additional documents accepted for proving your current address include a check, bill, or signed lease.
 - If you have had a legal name change, you will need to bring a copy of the appropriate judgment entry.”

(The Wood County Probate Court, <http://www.probate-court.co.wood.oh.us/marrinfo.shtml>)

Parish Customs and Rules

Saint Rose Church is a smoke free facility. NO SMOKING OR VAPING is permitted anywhere in the building.

ALCOHOLIC BEVERAGES are **NOT** permitted in the church building or on church property during a wedding or a wedding rehearsal.

Flower petals are not to be strewn in the aisle on carpet or on aisle runner.

Rice, birdseed, balloons, and sparklers are prohibited. Bubbles may be used outside of church.

Flowers

Any flowers placed in the sanctuary are considered a gift to the parish. Thus, they are to be left in place for the Sunday Masses. If there is more than one wedding at our church on a given weekend, we suggest that you contact the other couple to investigate the possibility of sharing the expense.

Artificial flowers are discouraged.

Aisle Runner

This is optional and can be obtained from your florist. The aisle is about 80 feet long. Many couples forego the use of a runner.

Candelabra:

Candelabra may be used anywhere in the church sanctuary or main aisle, provided they are enclosed by glass protection. They must be supplied by the florist and free standing. No lit candles are permitted in bridal bouquets.

Other Decorations

Any decorations attached to the pews must be done only by elastic bands. Tape, glue, adhesives, and screws are never permitted. No existing sanctuary furnishings (chairs, candlesticks, etc.) may be moved without the permission of the priest/deacon serving at St. Rose Parish.

Clean-up

The family is responsible for removing any decorations and equipment which were brought in for the wedding (aisle runner, bows, etc.). Please coordinate this with your florist.

Altar Servers

For weddings that include Mass, the parish will supply two altar servers. If there is someone special you would like to serve, please let the priest know. It is a common courtesy to give each server a gratuity. A gift of \$10-\$20 per server is appropriate.

Flower Girls and Ring Bearers

These are not required. When they are involved as part of the wedding party, they should not be less than 4 years old, as children of this age tend to panic when they see a church full of people and anticipate a long walk down the center aisle. Please consider carefully whether their presence will add or detract from the joyful solemnity of the liturgy.

Wedding Attire

The celebration of marriage is a sacred ceremony in the house of God. At times you will be asked to kneel; therefore, when selecting wedding attire, modesty should be kept in mind so as not to offend the sacredness of this ceremony or any of the people in attendance.

Dressing Rooms

Women may use St. Peter's Corner in the Walz Center. Smoking or vaping is not permitted anywhere in the building.

The sacristy may not be used as a dressing room. Men in the wedding party should arrive at the church already dressed in their wedding attire.

Photography and Videos

We understand the importance of preserving the memory of your wedding day through photographs and video. However, the clicks and flashes of cameras and roving video recorders easily detract from the sacredness of the liturgy. Please adhere to the following guidelines:

Only one official photographer is permitted. No flashes are permitted during the ceremony. The only exception is the entrance procession and the recessional. The photographer is expected to be discreet and judicious in photo taking, so as not to distract from the liturgy. You will be given a copy of these guidelines and are asked to share them with your photographer as soon as possible. Our wedding coordinator will review the parish policy with the photographer on the day of your wedding.

No more than two video cameras are permitted. They must be stationary. We recommend placing one in the choir loft. If a second camera is used, it should be placed in the back of church off the main aisle, or in the east side aisle near the moveable chairs.

Cameras and video equipment are not permitted in the sanctuary or music areas at any time during the wedding.

Please inform your friends and families of these guidelines. If you are using a worship aid ["program"] please incorporate the following phrase in it:

"Kindly refrain from taking pictures or video recording during the ceremony."

Lectors

In selecting someone to do the scripture readings, please keep in mind that the person who fills this liturgical role will be proclaiming the Word of God. These individuals should be instructed at the rehearsal on the appropriate timing and method to proclaiming the scriptures. It is most important that they be able to read so that the assembly can hear the Word of God.

A Catholic who already serves as a Lector in their parish is the preferred person to proclaim the scripture readings at your wedding. It is also permitted to have another Catholic or indeed a baptized individual from another Christian denomination fulfill this role. They will be required to follow the protocol of the Catholic Marriage Rite.

Copies of the readings will be provided and placed on the ambo (pulpit) prior to the liturgy. There is no need for the readers to carry a copy of the reading to the ambo.

Extraordinary Ministers of Holy Communion

If your wedding will include the celebration of the Eucharist, there may be a need for Extraordinary Ministers to help with the distribution of Holy Communion. Family or friends who function as Extraordinary Ministers in their own parishes may fill this role during the wedding. Please discuss this matter with the priest when planning the liturgy.

LITURGICAL MATTERS

Should there be a Mass?

There are three liturgical options for the Celebration of Matrimony in the Catholic Church: within Mass, outside of Mass, and between a Catholic and Catechumen or a Non-Christian

For marriage between two Catholics, the Church recommends that the Rite of Matrimony take place within the celebration of the Eucharist.

For marriage between a Catholic and a baptized non-Catholic, the Church recommends that the Rite of Matrimony be celebrated outside of Mass.

For marriage between a Catholic and non-baptized person, the Rite of Matrimony is celebrated outside of Mass.

The Sacrament of Reconciliation

It is strongly recommended that Catholics preparing for marriage celebrate the Sacrament of Reconciliation prior to the wedding so that they may fruitfully receive the Sacrament of Matrimony. The priest or deacon preparing you for marriage can help answer questions in this regard.

Principles of Planning the Wedding Ceremony

Since the wedding liturgy is a celebration of a sacrament, the music must reflect that sacramental nature. Music which only celebrates the human secular values of love is not appropriate in church. The assembly gathered for the wedding should be drawn into active participation in this sacred ritual through prayer and song in order to share fully in the sacramental encounter with Christ the Lord. Sung texts should reflect not only the love of a man and a woman but also the love of God for the couple and for all people. It is with this understanding that the following music guidelines have been established for all weddings at Saint Rose Parish.

Music

Once your wedding date has been set, please contact the parish musician as early as possible. The Director of Liturgy & Music, Charlotte Mariasy, can be reached through the Parish Office (419-874-4559)

Engaged couples are EXPECTED to employ one of the parish organists or parish musicians for their wedding ceremony. St. Rose musicians know what works best in our community and are familiar with the sound system, acoustics, and instruments of the church. Finally, parish musicians are at ease with the practice and presidential style of the parish priest(s) and deacon(s). Your fee to the church includes the stipend for the parish organist.

All extra musicians, i.e. instrumentalists and vocalists are to have appropriate musical training, experience, and understanding of the liturgy and marriage rite. An interview with the parish musician will determine whether the guest musician meets these criteria. All extra musicians need to be approved by the Director of Liturgy & Music BEFORE you hire them. It is up to the couple to pay extra musicians directly.

All music selections need to be approved by the Director of Liturgy & Music.

The use of recorded music is not permitted at Saint Rose Parish.

All musical selections need to reflect Catholic Christian faith. Secular music such as TOP 40, Broadway Show tunes or music from movie soundtracks are inappropriate for a Catholic wedding liturgy. This does not mean that these songs are inherently bad, but rather a realization that they are better suited for your reception - where they will help to celebrate other dimensions of the wedding. The Director of Liturgy & Music will assist you in selecting music for your wedding and will make all final decisions regarding music at Saint Rose.

*These music guidelines are in accord with those established
by the Diocese of Toledo.*

LOGISTICAL MATTERS

Church Fees

The Church does not charge anyone for any of the Sacraments. God's grace is offered free of charge to all! Options to receive the Sacrament of Matrimony in a very simple fashion (without the music, flowers, bridal party, etc.) may be discussed with the priest or pastoral associate at your first meeting.

Most couples, however, wish to hold their wedding ceremony at a specific time and have the church building reserved for their exclusive use and decorated according to their taste. For such a wedding ceremony, Saint Rose Parish assesses a fee. This fee is \$1200 for non-parishioners or \$700 for parishioners as defined below. A \$350 non-refundable deposit is due after the wedding is approved and is required in order to hold the date. The remaining amount must be paid in full at least 1 month prior to the wedding. The fee includes the use of the church for 3 hours on your wedding day, a one-hour rehearsal, office support, the wedding coordinator at the rehearsal and wedding, the organist for the ceremony, and custodial staff requirements.

To receive the parishioner rate, at least one party must have been a registered and active parishioner of Saint Rose Parish for at least one year or has previously been an active parishioner for at least a year. Those couples who have active parents or grandparents in the parish, but are not and have not been active parishioners, will pay the "parishioner" rate. Registering as a parishioner at Saint Rose solely to receive the parishioner rate is not permitted.

Wedding Coordinator

Saint Rose Parish provides a wedding coordinator for your wedding. The coordinator will be at the rehearsal and available the day of the wedding. She will contact you 1-2 weeks before your ceremony to review and answer any questions you may have.

Wedding Time and Rehearsal

Usually, weddings are scheduled on Friday or Saturday. Friday weddings are usually scheduled after 5pm. Saturday weddings may be scheduled at 11am or 2pm. Those scheduling their weddings on either of these days have the use of the church for three hours. Hence, those having a Friday evening wedding at 6pm have the church from 5pm to 8pm. Those having a Saturday morning wedding have the church from 10am to 1pm. Those having a Saturday afternoon wedding have the church from 1pm to 4pm.

The parish liturgical schedule for the weekend begins with confessions at 4pm. Therefore, those having a Saturday afternoon wedding must have the church cleaned up and vacated by 4pm.

Rehearsals are to be scheduled with the priest or deacon. With cooperation and prompt arrival, the rehearsal usually lasts no longer than an hour. Any decisions during the rehearsal will be made by the clergy and/or parish wedding coordinator in consultation with the bride and groom, not by outside consultants or family members.

Worship Aids

A printed worship aid, when properly prepared, encourages the active participation in the spoken and sung prayers of the service and helps those who are unfamiliar with the Catholic Liturgy to understand its basic structure. A worship aid also provides a thoughtful remembrance of the occasion. Sample programs will be given out at the Joy-Filled Marriage Conference or can be obtained from the Director of Liturgy & Music.

Suggestions for Preparing the Worship Aids

Print major headings in bold or decorative type so they stand out. The elements of each rite may be in a smaller type. Do not print the texts of prayers, readings, or vows. These should be listened to, not read by the assembly.

Include page numbers of the hymns, responses, and acclamations so that the congregation may easily participate in the celebration. An invitation might also be included at the very beginning of the worship aid asking the assembly to join in the sung and spoken prayer of the wedding ceremony.

Any time music and/or words to hymns are printed, copyright permission must be secured. The Director of Liturgy & Music can assist you in obtaining the permission.

The Order of the Liturgy should be printed first since this is the most important part. The list of ministers (members of the wedding party, lectors, musicians, and family) is printed on the last page.

Please include the following in the worship aid:

“Kindly refrain from taking pictures or video recording during the ceremony.”

All couples are required to have the Director of Liturgy & Music proof the program BEFORE it is taken to the printer for publication.

LAST MINUTE REMINDERS FOR YOUR WEDDING

Two Weeks Before

- Please submit your **civil marriage license** to the Parish Office. Please bring everything (including any return envelopes) that you received from the county clerk.

The Week Before

- ***Remember to pray!*** Pray for yourself and pray for your fiancé(e)! Pray every day!
- ***Pray through the readings that you have chosen for your wedding day.*** You may be too nervous to hear them well during the ceremony. Familiarize yourself with them beforehand to make the Word of God even more meaningful for your Wedding Day.
- ***Take a close look at your wedding vows.*** Pray through the words of your wedding vows and the questions of intent that you will be asked on your big day. You can find these in your *Together for Life* book on pages 88 – 92. They may be the most important questions you'll ever answer, and *the most important words you'll ever say!*
- ***Consider going to Confession.*** Catholics are *strongly* encouraged to celebrate the Sacrament of Reconciliation (Confession) prior to celebrating the Sacrament of Matrimony. You may do this at Saint Rose or at any Catholic Parish, either at the regular appointed times or by making an individual appointment with any Catholic priest.

Regular Confession Times at Saint Rose

Tuesday: 6:00 – 6:45 pm

Saturdays: 4:00 – 4:45 pm

The Rehearsal

- Your rehearsal will be on _____ at _____
- Your rehearsal and wedding day will be coordinated by our parish wedding coordinator who has the expertise and training to make sure that everything goes smoothly for your wedding ceremony.
- *Please, no food or drink (except water) in the church.*

On Your Wedding Day

- No alcohol for the bride or groom before the ceremony on your wedding day! Both bride and groom must be completely sober, or there will be no wedding. Also, your wedding party should be completely sober when they arrive at the Church. A member of your wedding party who has been drinking will not be permitted to participate in the ceremony.
- If you are having a Mass, it is customary to give the two altar servers an appropriate gratuity (\$10-20 each).
- Please remind your photographer/videographer that they are to be professionally dressed in a manner appropriate for a church ceremony. They will be expected to follow all of our parish guidelines outlined on the pink sheet of paper that was provided to you ahead of time. Make sure to send these guidelines to your photographer and videographer prior to the wedding.
- During the ceremony, it is expected that you (and your wedding party) will be prayerful throughout the ceremony and set a good example for the congregation. Please join in on the responses and sing the hymns you have chosen. Please refrain from engaging in small talk with one another during the Mass, especially during the distribution of Holy Communion.
- For Saturday afternoon weddings, remember that you must be finished with pictures and out of the church by 4:00 pm when Confessions begin.
